SUPPLEMENTARY INFORMATION: Notice is hereby given of the availability of the final evaluation findings for the Rhode Island, Michigan, Delaware, and Indiana Coastal Management Programs (CMPs) and the Delaware and Jobos Bay (Puerto Rico) National Estuarine Research Reserves (NERRs). Atlantic Highly Migratory Species (HMS); Atlantic Shark Management Measures

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of availability; notice of public scoping meetings.

SUMMARY: NMFS published a notice of intent (NOI) to initiate an amendment to the Consolidated Highly Migratory Species (HMS) Fishery Management Plan (FMP) on November 7, 2006. Today's notice announces the

availability of an issues and options presentation describing potential measures for inclusion in the forthcoming Amendment 2 to the Consolidated HMS FMP and provides details for seven scoping meetings to discuss and collect comments on the issues described in the presentation. Comments received on the issues and options presentation, in the scoping meetings, and on the NOI will assist NMFS in developing Amendment 2 to the Consolidated HMS FMP. These scoping meetings will be combined with public hearings to gather comment on a proposed rule to utilize the North Atlantic swordfish quota. Those hearings are announced today in an separate **Federal Register** document.

DATES: Public scoping meetings will be held in January of 2007. These meetings will be combined with public hearings being held for a proposed rule to enable a more thorough utilization of the U.S. North Atlantic swordfish quota. For specific dates and times, see **SUPPLEMENTARY INFORMATION**.

As published on November 7, 2006 (71 FR 65086), written comments on the issues and options presentation and the NOI must be received no later than February 5, 2007.

ADDRESSES: Scoping meetings will be held in Madeira Beach, FL; Ft. Pierce, FL; Manteo, NC; Houma, LA; Gloucester, MA; Destin, FL; and, Manahawkin, NJ. For details, see **SUPPLEMENTARY INFORMATION**.

As published on November 7, 2006 (71 FR 65086), written comments on the issues and options presentation and the NOI should be sent to Michael Clark, Highly Migratory Species Management Division by any of the following methods:

- E-mail: SF1.082906A@noaa.gov. Include in the subject line the following identifier: "I.D. 082906A".

- Written: 1315 East-West Highway, Silver Spring, MD 20910. Please mark the outside of the envelope "Scoping Comments on Amendment 2 to HMS FMP."

- Fax: (301) 713–1917.

For a copy of the stock assessments, please contact Michael Clark or Karyl Brewster-Geisz at (301) 713–2347.

FOR FURTHER INFORMATION CONTACT: Michael Clark at (301) 713–2347 or Jackie Wilson at (404) 806–7622.

SUPPLEMENTARY INFORMATION: The Atlantic shark fisheries are managed under the authority of the Magnuson-Stevens Fishery Conservation and Management Act. The HMS FMP is implemented by regulations at 50 CFR part 635.

On November 7, 2006 (71 FR 65086), NMFS published a NOI that summarized the recent stock assessments conducted for large coastal, blacktip, sandbar, porbeagle, and dusky sharks. The NOI also described NMFS' determination as to the status of these stocks based on the assessments. As a result of these assessments, NMFS needs to amend current shark management measures via an FMP amendment and anticipates completing this amendment and any related documents by January 1, 2008. The comment period on the NOI and the issues and options presentation ends on February 5, 2007.

Request for Comments

Seven scoping meetings will be held in January 2007 to provide the public an opportunity to comment on potential shark management measures to be included in the upcoming amendment to the Consolidated HMS FMP. The time allotted to swordfish and shark management measures will be distributed accordingly to provide ample opportunity for the public to comment on both topics. Time may be split equally or additional time may be allotted to either shark or swordfish measures, as necessary, depending on the attendees' primary interests.
