

submit case briefs and/or written comments no later than 30 days after the date of publication of these preliminary results of review. *See* 19 CFR 351.309(c)(ii). Rebuttal briefs and rebuttals to written comments, limited to issues raised in such briefs or comments, may be filed no later than five days after the time limit for filing the case briefs. *See* 19 CFR 351.309(d). Further, parties submitting written comments should provide the Department with an additional copy of those comments on diskette. The Department will issue the final results of these administrative and new shipper reviews, which will include the results of its analysis of issues raised in any comments, and at a hearing, within 120 days of publication of these preliminary results, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

The Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of review. Pursuant to 19 CFR 351.212(b)(1), we will calculate importer- or customer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of the dumping margins calculated for the examined sales to the total entered value of those same sales. For True Potential, we do not have the actual entered value because it was either not the importer of record for the subject merchandise or was unable to obtain the entered value data for its reported sales from the importer of record. For True Potential, we intend to calculate individual customer-specific assessment rates by aggregating the dumping margins calculated for all of the U.S. sales examined and dividing that amount by the total quantity of the sales examined. To determine whether the duty assessment rates are *de minimis* (*i.e.*, less than 0.50 percent), in accordance with the requirement set forth in 19 CFR 351.106(c)(2), we will calculate customer-specific *ad valorem* ratios based on export prices.

We will instruct CBP to assess antidumping duties on all appropriate entries covered by these reviews if any importer- or customer-specific assessment rate calculated in the final results of these reviews is above *de minimis*.

For entries of the subject merchandise during the POR from companies not subject to these reviews, we will instruct CBP to liquidate them at the cash deposit rate in effect at the time of

entry. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of these reviews and for future deposits of estimated duties, where applicable.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the final results of these reviews for all shipments of hand trucks and certain parts thereof from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(1) of the Act: (1) The cash deposit rates for all respondents will be the rates determined in the final results of review (except that if a rate is *de minimis*, *i.e.*, less than 0.50 percent, no cash deposit will be required); (2) the cash deposit rate for PRC exporters who received a separate rate in a prior segment of the proceeding (which were not reviewed in this segment of the proceeding) will continue to be the rate assigned in that segment of the proceeding (*i.e.*, Huatian and Taifa); (3) the cash deposit rate for the PRC-wide entity (including Future Tool and Shandong Machinery) will continue to be 383.60 percent; and (4) the cash deposit rate for non-PRC exporters of subject merchandise from the PRC will be the rate applicable to the PRC exporter that supplied that exporter.

These requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

These administrative and new shipper reviews and notice are in accordance with sections 751(a)(1), 751(a)(2)(B), and 777(i) of the Act and 19 CFR 351.213 and 351.214.

Notice of Extension of the Preliminary Results of Antidumping Duty New Shipper Review: Honey From the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Commerce.

DATES: *Effective Date:* January 9, 2007.

FOR FURTHER INFORMATION CONTACT: Erin Begnal or Michael Quigley; AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-1442 and (202) 482-4047, respectively.

Background

The Department of Commerce ("Department") received a timely request from Shanghai Bloom International Trading Co., Ltd. ("Shanghai Bloom"), in accordance with 19 CFR 351.214(c), for a new shipper review of the antidumping duty order on honey from the People's Republic of China ("PRC"). On August 30, 2006, the Department found that the request for review with respect to Shanghai Bloom met all of the regulatory requirements set forth in 19 CFR 351.214(b) and initiated an antidumping duty new shipper review covering the period December 1, 2005, through June 30, 2006. *See Honey from the People's Republic of China: Initiation of New Shipper Antidumping Duty Review*, 71 FR 52764 (September 7, 2006). The preliminary results are currently due no later than February 26, 2007.

Extension of Time Limits for Preliminary Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.214(i)(1) require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated and final results of a review within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the time period for completion of the preliminary results of a new shipper review to 300 days if it determines that the case is extraordinarily complicated. *See* 19 CFR 351.214(i)(2).

The Department has determined that the review is extraordinarily

complicated as the Department must gather additional publicly available information, issue additional supplemental questionnaires, and conduct verification of the responses. Based on the timing of the case and the additional information that must be gathered and verified, the preliminary results of this new shipper review cannot be completed within the statutory time limit of 180 days. Accordingly, the Department is extending the time limit for the completion of the preliminary results of the new shipper review of Shanghai Bloom to 300 days. The preliminary results will now be due no later than June 26, 2007, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2). The final results will, in turn, be due 90 days after the date of issuance of the preliminary results, unless extended.

This notice is published pursuant to sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.

Dated: December 28, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* January 9, 2007.

SUMMARY: On November 14, 2006, the Department of Commerce ("the Department") published a notice of initiation and preliminary results of an antidumping duty ("AD") changed circumstances review with intent to revoke, in part, the AD order on wooden bedroom furniture from the People's Republic of China ("PRC"). See *Wooden Bedroom Furniture from the People's Republic of China: Notice of Initiation and Preliminary Results of Changed Circumstances Review, and Intent to Revoke Order in Part*, 71 FR 66309 (November 14, 2006) ("*Initiation and Preliminary Results*"). We are now revoking this order in part, with regard to the following product: Cheval style mirrored jewelry cabinets, as described in footnote 12 the "Scope of the Order"

section of this notice, based on the fact that domestic parties have expressed no further interest in the relief provided by the order with respect to the imports of these jewelry cabinets, as so described.
