The Social Security Administration (SSA) publishes a list of information collection packages that will require clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. The information collection packages that may be included in this notice are for new information collections, approval of existing information collections, revisions to OMB-approved information collections,

A person who believes that he or she has been discriminated against on any of the above bases may file a written complaint of discrimination. The information will be used to identify the complainant; identify the alleged discriminatory act; ascertain the date of such alleged act; obtain the identity of any individual(s) with information about the alleged discrimination; and ascertain other relevant information that would assist in the investigation and resolution of the complaint. In addition, data are collected from the beneficiaries on background employment, training, benefits and work incentives. SSA is interested in identifying beneficiary outcomes under the WIPA program to determine the extent to which beneficiaries with disabilities achieve their employment, financial and health care goals.
