I have determined that the impact in certain areas of the State of Colorado resulting from the record snow during the period of December 28–31, 2006, is of sufficient severity and magnitude to warrant an emergency declaration under the Robert T. In order to provide Federal assistance, you are hereby authorized to allocate from funds available for these purposes such amounts as you find necessary for Federal disaster assistance and administrative expenses.

You are authorized to provide emergency protective measures, including snow removal, under the Public Assistance program to save lives and to protect property and public health and safety. Other forms of assistance under Title V of the Stafford Act may be added at a later date, as you deem appropriate. This emergency assistance will be provided for any continuous 48-hour period during or proximate to the incident period. You may extend the period of assistance, as warranted. This assistance excludes regular time costs for the subgrantees' regular employees. Consistent with the requirement that Federal assistance be supplemental, any Federal funds provided under the Stafford Act for Public Assistance will be limited to 75 percent of the total eligible costs in the designated areas. Further, you are authorized to make changes to this declaration to the extent allowable under the Stafford Act.
