

R&D performance and funding with domestic and foreign ownership detail. BEA will use the linked data to augment its existing R&D-related data, identify data quality issues arising from reporting differences in BEA and Census Bureau surveys, and improve its survey sample frames. The Census Bureau will identify unmatched companies on BEA files that conduct R&D activities and add them to the R&D survey to improve the survey's sample. The NSF will be provided non-confidential aggregate data (public use) and reports that have cleared BEA and Census Bureau disclosure review. Disclosure review is a process conducted to verify that the data to be released do not reveal any confidential information.

(2) BEA will also provide data to the Census Bureau in order to link records from its surveys of U.S. international services transactions, U.S. direct investment abroad, and foreign direct investment in the United States with information from the Census Bureau's Business Register and with data from the 2002 Economic Census. This linked information will be used by the BEA to evaluate the feasibility of developing state-level estimates of service exports.

SUPPLEMENTARY INFORMATION:

Background

CIPSEA (Pub. L. 107-347, Title V) and the International Investment and Trade in Services Survey Act (Pub. L. 94-472, 22 United States Code (U.S.C.) 3101-3108) allow BEA and the Census Bureau to share certain business data for exclusively statistical purposes. Section 524(d) of the CIPSEA requires a **Federal Register** notice announcing the intent to share data (allowing 60 days for public comment). Section 524(d) also requires us to provide information about the terms of the agreement for data sharing. For purposes of this notice, BEA has decided to group these terms by three categories. The categories are:

- Shared data.
- Statistical purposes for the shared data.

- Data access and confidentiality.

Shared Data

BEA proposes to provide the Census Bureau with data from its surveys of U.S. direct investment abroad, foreign direct investment in the United States, and U.S. international services transactions. The agreement also calls for the Census Bureau to share data collected from the Survey of Industrial Research and Development, the 2002 Economic Census, and its Business Register with BEA. The Census Bureau will issue a separate notice addressing this issue. The shared BEA and Census Bureau data will be used for statistical purposes only.

Statistical Purposes for the Shared Data

Data collected in BEA's surveys of direct investment are used to develop estimates of the financing and operations of U.S. parent companies, their foreign affiliates, and U.S. affiliates of foreign companies, and estimates of transactions and positions between parents and affiliates. Data collected in BEA's surveys of U.S. international services transactions are used to develop estimates of services transactions between U.S. persons (in a broad legal sense, including companies) and foreign persons. These estimates are published in the *Survey of Current Business*, BEA's monthly journal; in other BEA publications; and on BEA's Web site at <http://www.bea.gov/>. All data are collected under sections 3101-3108, of Title 22, U.S.C.

The data sets created by linking these data with the data from the above-designated Census Bureau surveys and Business Register will be used for several exclusively statistical purposes by both agencies, such as for evaluating the feasibility of developing state-level estimates of U.S. services exports, and producing aggregate tabulations of data for the NSF that augment and improve information on international aspects of R&D performance, funding, and related economic activity.

Data Access and Confidentiality

Title 22, U.S.C. 3104 protects the confidentiality of the data to be provided by BEA to the Census Bureau. The data may be seen only by persons sworn to uphold the confidentiality of the information. Access to the shared data will be restricted to specifically authorized personnel and will be provided for statistical purposes only. Any results of this research are subject to BEA disclosure protection. All Census Bureau employees with access to these data will become BEA Special Sworn Employees—meaning that they,

under penalty of law, must uphold the data's confidentiality. Selected NSF employees will provide BEA with expertise on various aspects of R&D performance and funding of companies that provide data to BEA. These NSF consultants assisting with the work at the BEA also will become BEA Special Sworn Employees. No confidential data will be provided to the NSF.

Director, Bureau of Economic Analysis.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: January 23, 2007.

FOR FURTHER INFORMATION CONTACT: Rebecca Trainor or Terre Keaton, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-4007 or (202) 482-1280, respectively.

SUPPLEMENTARY INFORMATION:

Background

On November 7, 2006, the Department of Commerce ("Department") published in the **Federal Register** the preliminary results of the first antidumping duty administrative review of carbazole violet pigment 23 (CVP-23) from the People's Republic of China (PRC), covering the period June 24, 2004, through November 30, 2005. See *Carbazole Violet Pigment 23 from the People's Republic of China; Preliminary Results of Antidumping Duty Administrative Review and Rescission in Part*, 71 FR 65073 (November 7, 2006). The final results for this administrative review are currently due no later than March 7, 2007.

Extension of Time Limit for the Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue the final results of an administrative review within 120 days after the date on which

the preliminary results are published. If it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the deadline for the final results by a maximum of 180 days.

The Department requires additional time to consider complex issues raised by interested parties, particularly with respect to surrogate values. Thus, it is not practicable to complete this review within the original time limit. Therefore, the Department is extending the time limit for completion of the final results by 60 days, in accordance with section 751(a)(3)(A) of the Act. The final results are now due not later than May 7, 2007, the next business day after 180 days from publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: January 17, 2007.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On September 29, 2006, the Department of Commerce (the Department) published in the **Federal Register** a notice of initiation of the antidumping duty administrative review on floor-standing, metal-top ironing tables and certain parts thereof (ironing tables) from the People's Republic of China (PRC). The period of review (POR) is August 1, 2005, through July 31, 2006. This review is now being rescinded for Foshan Shunde Yongjian Housewares & Hardware Co., Ltd. (Foshan Shunde) because the only requesting party withdrew its request in a timely manner.

EFFECTIVE DATE: January 23, 2007.

FOR FURTHER INFORMATION CONTACT: Kristina Horgan or Bobby Wong, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of

Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-8173 or (202) 482-0409, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 6, 2004, the Department published in the **Federal Register** an antidumping duty order on ironing tables from the PRC. See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Floor-Standing, Metal-Top Ironing Tables and Certain Parts Thereof From the People's Republic of China*, 69 FR 47868 (August 6, 2004) (Ironing Tables Order). On August 1, 2006, the Department published a *Notice of Opportunity to Request Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation*, 71 FR 43441.

On August 2, 2006, Foshan Shunde, requested, in accordance with 19 CFR 351.213(b)(2), an administrative review of the antidumping duty order on ironing tables from the PRC. On August 29, 2006, Since Hardware (Guangzhou) Co., Ltd. (Since Hardware) requested, in accordance with 19 CFR 351.213(b)(2), an administrative review of the antidumping duty order on ironing tables from the PRC. On August 31, 2006, Home Products International Inc., petitioner, also requested, in accordance with 19 CFR 351.213(b)(1), an administrative review of the antidumping duty order on ironing tables from the PRC for Since Hardware for the POR. On September 29, 2006, the Department initiated an administrative review of the two companies. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 71 FR 57465 (September 29, 2006).

On December 21, 2006, Foshan Shunde filed a letter withdrawing its request. Foshan Shunde was the only party to request a review of entries of subject merchandise exported by Foshan Shunde.

Rescission of Review

The applicable regulation, 19 CFR 351.213(d)(1), states that if a party that requested an administrative review withdraws the request within 90 days of the publication of the notice of initiation of the requested review, the Secretary will rescind the review. Foshan Shunde timely filed a request withdrawing its request for an administrative review within the 90-day deadline, in accordance with 19 CFR 351.213(d)(1). Because Foshan Shunde was the only party to request an

administrative review, we are partially rescinding this review of the antidumping duty order on ironing tables from the PRC covering the period August 1, 2005, through July 31, 2006, with respect to Foshan Shunde.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For the company for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(2). The Department intends to issue assessment instructions to CBP 15 days after the date of publication of this notice.

Notification of Interested Parties

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation that is subject to sanction.

This notice is issued and published in accordance with sections 751 and 777(i) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: January 12, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.
