[Notice 2007-1]

### Privacy Act of 1974; Systems of Records

**AGENCY:** Federal Election Commission.

**ACTION:** Proposed Notice of Revised System of Records.

**SUMMARY:** In accordance with the Privacy Act of 1974, as amended, 5 U.S.C. 552a, the Federal Election Commission ("the Commission" or "the FEC") is publishing for comment a revised system of records that is maintained by the Commission. The system entitled Inspector General Investigative Records (FEC 12) has been revised to: include additional routine uses (3 through 17); expand the list of "Categories of records in the system;" include additional data elements required for systems of records notices, including "Security Classification," "Purpose," "Disclosure to consumer reporting agencies," and "Exemptions claimed for the system;" and incorporate administrative and technical changes that have taken place since the last publication of FEC systems of records on December 15, 1997. 62 FR 65694. The minor changes include: clarifying the "System location;" adding new language to explain but not increase the "Categories of individuals covered by the system;" clarifying the language for "Storage;" adding new language under "Retrievability;" expanding the "Safeguards;" adding language to "Retention and disposal;" making a technical change to the "System manager(s);" clarifying the "Notification," "Record access," and "Contesting record" procedures; and updating the "Record source categories." The revised system of records should provide improved

protection for the privacy rights of individuals.

**DATES:** Comments on the proposed revisions to the existing records system, must be received no later than February 23, 2007. The revisions will be effective March 5, 2007 unless the Commission receives comments that would result in a contrary determination.

**ADDRESSES:** Comments should be addressed in writing to Thomasenia P. Duncan, Privacy Act Officer, Federal Election Commission, 999 E Street, NW., Washington, DC 20463, and must be received by close of business on February 23, 2007. Comments also may be sent via electronic mail to [Privacy@fec.gov](mailto:Privacy@fec.gov).

**SUPPLEMENTARY INFORMATION:** The primary purpose for this publication is to revise a system of records maintained by the FEC. The FEC has undertaken a review of its Privacy Act system of records, and as a result of this review, the FEC proposes to amend the system entitled Inspector General Investigative Files (FEC 12) to: include additional routine uses (3 through 17); expand the list of "Categories of records in the system;" include additional data elements required in a system of records, including "Security classification," "Purpose," "Disclosure to consumer reporting agencies," and "Exemptions claimed for the system;" and incorporate administrative and technical changes that have taken place since the last publication. The minor changes include: clarifying the "System location;" adding new language to explain but not increase the "Categories of individuals covered by the system;" clarifying the language for "Storage;" adding new language under "Retrievability;" expanding the "Safeguards;" adding language to "Retention and disposal;" making a technical change to the "System manager(s);" clarifying the "Notification," "Record access," and "Contesting record" procedures; and updating the "Record source categories."

As required by 5 U.S.C. 552a(r) of the Privacy Act of 1974, as amended, and OMB Circular A-130, Appendix I, the FEC has submitted a report describing the altered system of records covered by this notice to the Office of Management and Budget and to Congress.
