SOCIAL SECURITY ADMINISTRATION

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages that will require clearance by the Office of Management and Budget (OMB) in compliance with Pub. L. 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. The information collection packages that may be included in this notice are for new information collections, approval of existing information collections, revisions to OMB-approved information collections, and extensions (no change) of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and on ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Written comments and recommendations regarding the information collection(s) should be submitted to the OMB Desk Officer and the SSA Reports Clearance Officer. The information can be mailed and/or faxed to the individuals at the addresses and fax numbers listed below:

(OMB) Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974.

(SSA) Social Security Administration, DCFAM, Attn: Reports Clearance Officer, 1333 Annex Building, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-965-6400.

I. The information collections listed below are pending at SSA and will be submitted to OMB within 60 days from the date of this notice. Therefore, your comments should be submitted to SSA within 60 days from the date of this publication. You can obtain copies of the collection instruments by calling the SSA Reports Clearance Officer at 410-965-0454 or by writing to the address listed above.

1. Farm Self-Employment

Questionnaire—20 CFR 404.1095—0960-0061. Section 211(a) of the Social Security Act requires the existence of a trade or business as a prerequisite for determining whether an individual or partnership may have "net earnings from self-employment." Form SSA-7156 elicits the information necessary to determine the existence of an agricultural trade or business and subsequent covered earnings for Social Security entitlement purposes. The respondents are applicants for Social Security benefits, whose entitlement depends on whether the worker has covered earnings from self-employment as a farmer.

Type of Request: Extension of an OMB-approved information collection.

Number of Respondents: 47,500.

Frequency of Response: 1.

Average Burden Per Response: 10 minutes.

Estimated Annual Burden: 7,917 hours.

2. Accelerated Benefits Demonstration Project—0960-NEW. The Accelerated Benefits Demonstration Project is a multi-phase study designed to assess whether providing new Social Security Disability Insurance (SSDI) recipients with certain benefits will stabilize or improve their health and help them return to work early. In this long-term study, new SSDI disability recipients (*i.e.*, those who have just begun receiving benefits and who have at least 18 months remaining before they qualify for Medicare) will be divided into three groups: (1) A control group that will just receive their regular SSDI benefits; (2) a treatment group that will receive immediate access to health care benefits; and (3) a treatment group that will receive health care benefits and additional care management, employment, and benefits services and support. The study, which will be
