I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend NYSE Arca Rule 12 to permit the arbitration rules of New York Stock Exchange, L.L.C. (NYSE Arbitration Rules) to govern arbitrations filed with the Exchange. The text of the proposed rule change is available on the Exchange's Web site (<http://www.nysearca.com>), at the Exchange's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NYSE Arca included statements concerning the purpose of and basis for the proposed rule and discussed any comments it received on the proposed rule. The text of these statements may be examined at the places specified in Item IV below. The NYSE Arca has prepared summaries, set forth in sections (A), (B) and (C) below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to amend NYSE Arca Rule 12 to permit all arbitrations filed with NYSE Arca after January 31, 2007, other than those arbitrations proposed to be specifically excepted in the rule, to be governed by the NYSE Arbitration Rules. In general, Rule 12, as proposed to be amended, would provide that any dispute, claim or controversy arising out of or in connection with the business of any Options Trading Permit Holder ("OTP Holders") or OTP Firm or arising out of the employment or termination of employment of associated person(s) with any OTP Holder or OTP Firm may be arbitrated under Rule 12 as proposed to be amended. The rule, however, would except: (1) A dispute, claim, or controversy alleging employment discrimination (including a sexual harassment claim) in violation of a statute unless the parties have agreed to arbitrate it after the dispute arose; and (2) any type of dispute, claim, or controversy that is not permitted to be arbitrated under the NYSE Arbitration Rules, such as class action claims.

In addition, proposed Rule 12 would provide that the NYSE Arbitration Rules would apply to predispute arbitration agreements between NYSE Arca OTP Holders and OTP Firms and/or associated persons and their customers. Also, proposed Rule 12 would provide that if any matter comes to the attention of an arbitrator during and in connection with the arbitrator's participation in a proceeding, either from the record of the proceeding or from material or communications related to the proceeding, that the arbitrator has reason to believe may constitute a violation of the Exchange's rules or the federal securities law, the arbitrator may refer the matter to NYSE Regulation, Inc. for disciplinary investigation. With respect to payment of arbitration awards, proposed Rule 12 would provide that any OTP Holder, OTP Firm or associated person who fails to honor an award of arbitrators appointed will be subject to disciplinary proceedings in accordance with NYSE Arca Rule 10.

Finally, proposed Rule 12 would provide that the submission of any matter to arbitration would in no way limit or preclude the right, action or determination by the Exchange that it would otherwise be authorized to adopt, administer or enforce.

2. Statutory Basis

The Exchange states that the proposed change is consistent with Section 6(b)(5) of the Act⁵ in that it promotes just and equitable principles of trade by ensuring that members and member organizations and the public have a fair and impartial forum for the resolution of their disputes.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change, as amended, will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments on the proposed rule change were neither solicited nor received.

III. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act.

IV. Commission's Findings and Order Granting Accelerated Approval of Proposed Rule Change

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder, applicable to a national securities

exchange.⁶ In particular, the Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Act⁷ in that it promotes just and equitable principles of trade by ensuring that members and member organizations and the public have a fair and impartial forum for the resolution of their disputes.

The Commission also believes that the proposed rule change raises no issues that have not been previously considered by the Commission. The proposed rule change will merely amend NYSE Arca Rule 12 to permit the NYSE Arbitration Rules to govern the NYSE Arca's arbitrations, except as specified in amended Rule 12. The NYSE Arbitration Rules have previously been approved by the Commission.⁸

After careful consideration, the Commission finds good cause, pursuant to Section 19(b)(2) of the Act,⁹ for approving the proposed rule change prior to the thirtieth day after the date of publication of notice in the **Federal Register**. Granting accelerated approval will help to expedite the integration of NYSE and NYSE Arca and remove uncertainty that could arise through the application of multiple sets of rules governing arbitrations in the NYSE forum. Accordingly, the Commission believes that there is good cause, consistent with Section 6(b)(5) of the Act,¹⁰ to approve the proposal on an accelerated basis.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹¹ that the proposed rule change (SR-NYSEArca-2006-55), as amended by Amendments 1 and 2, is hereby approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹²
