AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

EFFECTIVE DATE: February 5, 2007.

FOR FURTHER INFORMATION CONTACT: Brian Smith or Terre Keaton Stefanova, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC, 20230; telephone: (202) 482-1766 or (202) 482-1280, respectively.

SUPPLEMENTARY INFORMATION:

Background

On November 6, 2006, the Department of Commerce ("the Department") published in the *Federal Register* the preliminary results of the administrative review of the antidumping duty order on certain preserved mushrooms from the People's Republic of China ("PRC"), covering the period February 1, 2005, through January 31, 2006. See *Certain Preserved Mushrooms from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 71 FR 64930 (November 6, 2006). The current deadline for the final results in this review is March 6, 2007.

Partial Extension of Time Limits for Final Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue the final results of the review of an antidumping duty order within 120 days after the date on which the preliminary results are published in the *Federal Register*. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to not later than 300 days from the date of publication of the preliminary results if the preliminary results deadline was unextended (which is the case in this review).

The Department finds that it is appropriate to provide the interested parties more time to submit publicly available information on certain inputs used to produce the subject merchandise for consideration in the final results of this review. Therefore, it is not practicable to complete the final results of this review within the current time frame.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is partially extending the time limit for completion of the final results of this review until August 3, 2007, which is 270 days after the date on which the notice of the preliminary results was published in the *Federal Register*.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777 (i)(1) of the Act.

Dated: January 29, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION:

Background

This administrative review of the antidumping duty order on certain preserved mushrooms from India covers one manufacturer/exporter: Agro Dutch. The period of review ("POR") is February 1, 2005, through January 31, 2006.

On November 6, 2006, the Department of Commerce ("the Department") published the preliminary results of this administrative review. See *Certain Preserved Mushrooms from India:*

Preliminary Results of Antidumping Duty Administrative Review, 71 FR 64938 (“Preliminary Results”). We invited interested parties to comment on the preliminary results of review. No interested party submitted comments. We have conducted this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (“the Act”).

Scope of the Order

The products covered by this order are certain preserved mushrooms, whether imported whole, sliced, diced, or as stems and pieces. The preserved mushrooms covered under this order are the species *Agaricus bisporus* and *Agaricus bitorquis*. “Preserved mushrooms” refer to mushrooms that have been prepared or preserved by cleaning, blanching, and sometimes slicing or cutting. These mushrooms are then packed and heated in containers including but not limited to cans or glass jars in a suitable liquid medium, including but not limited to water, brine, butter or butter sauce. Preserved mushrooms may be imported whole, sliced, diced, or as stems and pieces. Included within the scope of this order are “brined” mushrooms, which are presalted and packed in a heavy salt solution to provisionally preserve them for further processing.

Excluded from the scope of this order are the following: (1) All other species of mushroom, including straw mushrooms; (2) all fresh and chilled mushrooms, including “refrigerated” or “quick blanched mushrooms”; (3) dried mushrooms; (4) frozen mushrooms; and (5) “marinated,” “acidified” or “pickled” mushrooms, which are prepared or preserved by means of vinegar or acetic acid, but may contain oil or other additives.

The merchandise subject to this order is currently classifiable under subheadings 2003.10.0127, 2003.10.0131, 2003.10.0137, 2003.10.0143, 2003.10.0147, 2003.10.0153 and 0711.51.0000 of the *Harmonized Tariff Schedule of the United States* (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this order dispositive.

Final Results of Review

We determine that the following weighted-average margin percentage exists:

Manufacturer/exporter	Margin (percent)
Agro Dutch Industries, Ltd.	0.61

Assessment

The Department shall determine, and U.S. Customs and Border Protection (“CBP”) shall assess, antidumping duties on all appropriate entries, in accordance with 19 CFR 351.212(b). With respect to Agro Dutch, we calculated importer-specific assessment rates for the subject merchandise by aggregating the dumping margins calculated for all the U.S. sales examined and dividing this amount by the total entered value of the sales examined. Pursuant to 19 CFR 351.106(c)(2), we will instruct CBP to assess antidumping duties on all appropriate entries covered by this review if any importer-specific assessment rate calculated in the final results of this review is above *de minimis* (i.e., is not less than 0.50 percent). The Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review.

The Department clarified its “automatic assessment” regulation on May 6, 2003. See *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003). This clarification will apply to entries of subject merchandise during the POR produced by the company included in these final results of review for which the reviewed company did not know its merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the “All Others” rate if there is no rate for the intermediate company(ies) involved in the transaction.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(1) of the Act: (1) the cash deposit rate for Agro Dutch will be 0.61 percent; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (“LTFV”) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers

or exporters will continue to be 11.30 percent. This rate is the “All Others” rate from the LTFV investigation. These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: January 30, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.
