#### SUPPLEMENTARY INFORMATION:

##### Background

Prior to the passage of the Government Employees Rights Act of 1991 (GERA), certain state and local government employees and applicants did not enjoy Federal protection against employment discrimination based on race, color, religion, sex, national origin, age, or disability. In affording these

individuals new equal employment opportunity protections, GERA introduced an administrative enforcement mechanism different from EEOC's pre-existing charge resolution procedures. Consequently, EEOC created procedures for handling complaints brought by individuals covered by GERA. These procedures are found in 29 CFR Part 1603.

When 29 CFR Part 1603 was published initially, the legal citation for GERA was 2 U.S.C. 1201 *et seq.* and that part of GERA applicable to previously exempt state and local employees was 2 U.S.C. 1220. Due to a re-codification and transfer, the citations for GERA have been changed to 42 U.S.C. 2000e-16a *et seq.* and 42 U.S.C. 2000e-16c, respectively. Similarly, in accordance with an amendment to GERA, section 321 was renumbered as section 304.

#### Need for Revision

As published, the final regulations contain obsolete legal citations which need to be updated.
