

response, on December 21, 2006, SBA published in the **Federal Register** a notice of intent to waive the Nonmanufacturer Rule for Demountable Cargo Containers Manufacturing (Dry Freight Containers/Connex Boxes). SBA explained in the notice that it was soliciting comments and sources of small business manufacturers of this class of products. In response to that December 21, 2006 notice, SBA received comments from small business manufacturers indicating that it has furnished this product to the Federal government. Accordingly, based on the available information, SBA has determined that there are small business manufacturers of this class of products, and, is therefore denying the class waiver of the Nonmanufacturer Rule for Demountable Cargo Containers Manufacturing (Dry Freight Containers/Connex Boxes), NAICS 336212.
