

fees, and other charges among the exchange's members and issuers and other persons using its facilities. The Commission also finds that the proposed rule change is consistent with Section 6(b)(5) of the Act,⁷ which requires, among other things, that the rules of the exchange be designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Commission believes that the proposed rule change should help to increase transparency regarding the processes NYSE Regulation has in place to ensure that the power of the Exchange, through NYSE Regulation, to impose fines on its members for disciplinary violations is exercised appropriately, and particularly to guard against the possibility that fines may be assessed to respond to budgetary needs rather than to serve a disciplinary purpose.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁸ that the proposed rule change (SR-NYSE-2006-109) is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁹

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55214; File No. SR-NYSEArca-2006-50]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing of Proposed Rule Change and Amendment No. 1 Thereto Relating to Amendments to Registration Rules of NYSE Arca Equities, Inc.

January 31, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 14, 2006, NYSE Arca, Inc. ("NYSE Arca" or "Exchange"), through its wholly owned subsidiary NYSE Arca Equities, Inc. ("NYSE Arca Equities" or "Corporation"), filed with the Securities and Exchange Commission

("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. The Exchange filed Amendment No. 1 to the proposed rule change on January 12, 2007. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange, through its wholly owned subsidiary NYSE Arca Equities, proposes to amend certain NYSE Arca Equities Rules governing registration of employees of Equity Trading Permit ("ETP") Holders³ in order to clarify registration procedures and make them consistent with the procedures of other self-regulatory organizations ("SROs"). The text of the proposed rule change is available at NYSE Arca, the Commission's Public Reference Room, and www.nysearca.com/regulation/filings.asp.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend NYSE Arca Equities Rules 2.4, 2.21, and 9.27 (referred to herein as Rules 2.4, 2.21 and 9.27) in order to clarify registration procedures and ongoing compliance obligations for ETP Holders and their registered persons. Further, the Exchange proposes to amend these rules so that they are consistent with industry practices and with the operation of the Central Registration Depository ("CRD") system maintained by the National Association of Securities Dealers, Inc. ("NASD"). The

proposed rule changes are similar to the rules of other SROs.⁴

Consideration of Requests for Waivers of Examination Requirements

The Exchange proposes to amend Rule 2.4(c), which governs requests from ETP Holder applicants to waive applicable examinations requirements prescribed by the Exchange. Specifically, the Exchange proposes to add new waiver standards under which the Corporation has discretion to grant waivers so that the Exchange's practices are generally consistent with the criterion set forth in NASD Rule 1070(d) and Supplementary Material .15(1)(b) to NYSE Rule 345.

Filing of Registration Documentation with the Exchange

The Exchange proposes to amend Rule 2.21, which governs registration procedures for employees of ETP Holders. Specifically, the Exchange proposes to amend the rule to provide manual registration procedures for registration categories (e.g., floor clerk) for which CRD does not provide electronic registration.⁵

Continuing Education Requirements

Currently, employees of ETP Holders who wish to initiate and maintain registration with the Corporation must follow two separate rules—Rules 2.21 and 9.27. Rule 2.21 sets forth initial registration requirements, whereas Rule 9.27 sets forth the continuing education requirements that must be satisfied to maintain registration with the Corporation.

In order to simplify compliance for employees of ETP Holders, the Exchange proposes to provide continuing registration requirements in the same rule as initial registration requirements. Specifically, the Exchange proposes to add continuing education requirements to new Rule 2.21(d) and certain definitions and clarifications with respect thereto to new Commentary .01-.06 to Rule 2.21.

The continuing education requirements in proposed new Rule 2.21(d) and related Commentary .01-.06

⁴ See NASD Rules 1070(d) and 1120(a) and (b) and New York Stock Exchange LLC ("NYSE") Rule 345A and Supplementary Material .15(1)(b) to NYSE Rule 345.

⁵ In 2005, NYSE Arca (formerly Pacific Exchange, Inc.) became a participant of the CRD system for maintenance of certain registration categories with the Exchange. As part of this implementation, applicable rules of the Exchange were amended to address filing appropriate registration documentation electronically with the CRD system for employees of ETP Holders. These amended rules, however, inadvertently omitted certain registration procedures for positions not available on the CRD system.

to Rule 2.21 are substantially similar to those contained in current Rule 9.27(c) and (d) and related Commentary .01–.06 to Rule 9.27(c) and (d), except that the Exchange has made certain clarifications so that the continuing education requirements and related definitions and clarifications are more closely aligned with NASD Rule 1120 and NYSE Rule 345A and other clean-up changes, as set forth in detail below.

Specifically, the Exchange proposes in Rule 2.21(d)(1) that the content of the Regulatory Element of the program shall be consistent with the standards set forth by the Corporation and other SROs, rather than just determined by the Corporation as is set forth in the current Rule 9.27(c). In addition, the Exchange proposes to add language in Rule 2.21(d)(2)(B)(i) providing that if an ETP Holder's analysis establishes the need for supervisory training for persons with supervisory responsibilities, such training must be included in the ETP Holder's training plan. Such language is not included in the current Rule 9.27(d)(2)(A).

The Exchange has not proposed for inclusion NASD's continuing education requirements applicable to research analysts because the Corporation does not provide for research analyst registration. Additionally, unlike current NASD Rule 1120(a)(6), the Corporation is not proposing to permit ETP Holders to self-administer the Regulatory Element of continuing education, as the Corporation does not have the resources or capability to offer an approval process or monitoring of such self-administered programs. ETP Holders will be responsible for ensuring continuing education information related to their associated persons is received by the firm in a timely manner and, as such, shall designate a person or persons to receive applicable information via electronic mail directly from the CRD system. ETP Holders will not be required to submit to the Corporation the names of such designated persons, as is required by the current NASD rule. This is based on the fact that the Corporation does not have a contact management system comparable to that of NASD.

With respect to the proposed new Commentary to Rule 2.21, the Exchange proposes to add a definition of "registered person" to Commentary .01 to Rule 2.21 as is currently set forth in Commentary .01 to Rule 9.27(c) and (d), except that the definition that the Exchange is proposing does not include the carve-out for "any such person whose activities are limited solely to the transaction of business on the facilities of the Corporation with ETP Holders or

registered broker-dealers." In addition, the Exchange proposes in Commentary .04 to Rule 2.21 to correct a mistake in the language in Commentary .04 to Rule 9.27(c) and (d) to provide that reassociated registered persons shall participate in the Regulatory Element at intervals based on their initial base date, rather than their new base date. Lastly, the Exchange proposes in Commentary .06 to Rule 2.21 to change the reference of "any registered member who is an ETP Holder," which is currently in Commentary .06 to Rule 9.27(c) and (d), to "any registered person associated with an ETP Holder" in order to be consistent with the language of other SROs.

In connection with the addition of proposed new Rule 2.21(d) and Commentary .01–.06 to Rule 2.21 as set forth above, the Exchange proposes to delete the specific continuing education requirements in Rule 9.27(c) and (d) and the related Commentary .01–.06 to Rule 9.27(c) and (d). The purpose for deleting the continuing education requirements in Rule 9.27(c) and (d) is to avoid needless repetition and risk of inconsistencies. The Exchange proposes to include cross-reference language in Rule 9.27(c) that provides that registered persons shall follow the continuing education requirements set forth in Rule 2.21(d).

In addition, the Exchange proposes to delete current Rule 2.21(i) with respect to transition to the CRD system because registration with CRD is already provided for in Rule 2.21(a).

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with Section 6(b) of the Act⁶ in general, and furthers the objectives of Section 6(b)(5)⁷ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.
