

Final Results of Review; Partial Revocation of Antidumping Duty Order

The affirmative statement of no interest by petitioners concerning upholstered beds, as described herein, constitutes changed circumstances sufficient to warrant revocation of this order in part. Moreover, ASI supports AFMC's request. Additionally, no party contests that petitioners' statement of no interest represents the views of substantially all of the domestic industry. Therefore, the Department is partially revoking the order on wooden bedroom furniture with respect to upholstered beds from the PRC which meet the specifications detailed above, in accordance with sections 751(b), (d) and 782(h) of the Act and 19 CFR 351.216(d) and 351.222(g). We will instruct U.S. Customs and Border Protection to liquidate without regard to antidumping duties, as applicable, and to refund any estimated antidumping duties collected for all unliquidated entries of upholstered beds, meeting the specifications indicated above, and not subject to final results of an administrative review as of the date of publication in the **Federal Register** of the final results of this changed circumstances review in accordance with 19 CFR 351.222(g).

This notice serves as a reminder to parties subject to administrative protective orders ("APOs") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.306. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This changed circumstances administrative review, partial revocation of the antidumping duty order and notice are in accordance with sections 751(b), (d) and 782(h) of the Act and

19 CFR 351.216(e) and 351.222(g).

Dated: February 7, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.

Dynamic Random Access Memory Semiconductors from the Republic of Korea: Final Results of Countervailing Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On August 11, 2006, the Department of Commerce published in the **Federal Register** its preliminary results of administrative review of the countervailing duty order on dynamic random access memory semiconductors from the Republic of Korea for the period January 1, 2004, through December 31, 2004.

We gave interested parties an opportunity to comment on the preliminary results. Our analysis of the comments received on the preliminary results did not lead to any changes in the net subsidy rate. Therefore, the final results do not differ from the preliminary results. The final net subsidy rate for the reviewed company is listed below in the section entitled "Final Results of Review."

EFFECTIVE DATE: February 14, 2007.

FOR FURTHER INFORMATION CONTACT:

Steve Williams or Andrew McAllister, AD/CVD Operations, Office 1, Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4619 or (202) 482-1174, respectively.

SUPPLEMENTARY INFORMATION:

Background

The following events have occurred since the publication of the preliminary results of this review. *See Dynamic Random Access Memory Semiconductors from the Republic of Korea: Preliminary Results of Countervailing Duty Administrative Review*, 71 FR 46192 (August 11, 2006) ("Preliminary Results").

We invited interested parties to comment on the *Preliminary Results*. On October 2, 2006, we received a case brief and request for a hearing from Micron Technology, Inc. ("Micron"). We received a rebuttal brief from Hynix Semiconductor Inc. ("Hynix"), the only company covered in the review, on October 16, 2006.

On November 16, 2006, we extended the time limit for the final results of this administrative review by 60 days (to February 7, 2007), pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as

amended ("the Act"). *See Dynamic Random Access Memory Semiconductors from the Republic of Korea: Notice of Extension of Time Limit for Countervailing Duty Administrative Review*, 71 FR 66751 (November 16, 2006).

A public hearing was held at the Department on November 2, 2006.

Scope of the Order

The products covered by this order are dynamic random access memory semiconductors ("DRAMs") from the Republic of Korea ("ROK"), whether assembled or unassembled. Assembled DRAMS include all package types. Unassembled DRAMS include processed wafers, uncut die, and cut die. Processed wafers fabricated in the ROK, but assembled into finished semiconductors outside the ROK are also included in the scope. Processed wafers fabricated outside the ROK and assembled into finished semiconductors in the ROK are not included in the scope.

The scope of this order additionally includes memory modules containing DRAMS from the ROK. A memory module is a collection of DRAMS, the sole function of which is memory. Memory modules include single in-line processing modules, single in-line memory modules, dual in-line memory modules, small outline dual in-line memory modules, Rambus in-line memory modules, and memory cards or other collections of DRAMS, whether unmounted or mounted on a circuit board. Modules that contain other parts that are needed to support the function of memory are covered. Only those modules that contain additional items which alter the function of the module to something other than memory, such as video graphics adapter boards and cards, are not included in the scope. This order also covers future DRAMS module types.

The scope of this order additionally includes, but is not limited to, video random access memory and synchronous graphics random access memory, as well as various types of DRAMS, including fast page-mode, extended data-out, burst extended data-out, synchronous dynamic RAM, Rambus DRAM, and Double Data Rate DRAM. The scope also includes any future density, packaging, or assembling of DRAMS. Also included in the scope of this order are removable memory modules placed on motherboards, with or without a central processing unit, unless the importer of the motherboards certifies with CBP that neither it, nor a party related to it or under contract to it, will remove the modules from the

motherboards after importation. The scope of this order does not include DRAMS or memory modules that are re-imported for repair or replacement.

The DRAMS subject to this order are currently classifiable under subheadings 8542.21.8005 and 8542.21.8020 through 8542.21.8030 of the Harmonized Tariff Schedule of the United States ("HTSUS"). The memory modules containing DRAMS from the ROK, described above, are currently classifiable under subheadings 8473.30.10.40 or 8473.30.10.80 of the HTSUS. Removable memory modules placed on motherboards are classifiable under subheadings 8471.50.0085, 8517.30.5000, 8517.50.1000, 8517.50.5000, 8517.50.9000, 8517.61.0000, 8517.62.0010, 8517.62.0050, 8517.69.0000, 8517.70.0000, 8517.90.3400, 8517.90.3600, 8517.90.3800, 8517.90.4400, 8542.31.00, 8542.32.0001, 8542.32.0020, 8542.32.0021, 8542.32.0022, 8542.32.0023, 8542.33.0000, 8542.39.0000, and 8543.89.9600 of the HTSUS.

Scope Rulings

On December 29, 2004, the Department received a request from Cisco Systems, Inc. ("Cisco"), to determine whether removable memory modules placed on motherboards that are imported for repair or refurbishment are within the scope of the *CVD Order*. See *Notice of Countervailing Duty Order: Dynamic Random Access Memory Semiconductors from the Republic of Korea*, 68 FR 47546 (August 11, 2003) ("*CVD Order*"). The Department initiated a scope inquiry pursuant to 19 CFR 351.225(e) on February 4, 2005. On January 12, 2006, the Department issued a final scope ruling, finding that removable memory modules placed on motherboards that are imported for repair or refurbishment are not within the scope of the *CVD Order* provided that the importer certifies that it will destroy any memory modules that are removed for repair or refurbishment. See Memorandum from Stephen J. Claeys to David M. Spooner, regarding Final Scope Ruling, Countervailing Duty Order on DRAMS from the Republic of Korea (January 12, 2006).

Period of Review

The period for which we are measuring subsidies, *i.e.*, the period of review ("POR"), is January 1, 2004, through December 31, 2004.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties to this

administrative review are addressed in the February 7, 2007, *Issues and Decision Memorandum for the Final Results in the Second Administrative Review of the Countervailing Duty Order on Dynamic Random Access Memory Semiconductors from the Republic of Korea* ("*Decision Memorandum*") from Stephen J. Claeys, Deputy Assistant Secretary for Import Administration, to David M. Spooner, Assistant Secretary for Import Administration, which is hereby adopted by this notice. Attached to this notice as an appendix is a list of the issues which parties have raised and to which we have responded in the *Decision Memorandum*. Parties can find a complete discussion of all issues raised in this review and the corresponding recommendations in this public memorandum, which is on file in the Department's Central Records Unit, Room B-099 of the main Department building. In addition, a complete version of the *Decision Memorandum* can be accessed directly on the Internet at <http://ia.ita.doc.gov/frn/index.html>. The paper copy and electronic version of the *Decision Memorandum* are identical in content.

Final Results of Review

In accordance with 19 CFR 351.221(b)(5), we calculated an individual subsidy rate for the producer/exporter, Hynix. For the period January 1, 2004, through December 31, 2004, we find the *ad valorem* net subsidy rate for Hynix is 31.86 percent.

Assessment Rates

The Department will instruct CBP to liquidate shipments of DRAMS by Hynix entered or withdrawn from warehouse, for consumption from January 1, 2004, through December 31, 2004, at 31.86 percent *ad valorem* of the entered value.

Cash Deposits

The Department also intends to instruct CBP to collect cash deposits of estimated countervailing duties at 31.86 percent *ad valorem* of the entered value on all shipments of the subject merchandise from Hynix, entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review.

We will instruct CBP to continue to collect cash deposits for non-reviewed companies at the most recent company-specific rate applicable to the company. The Department has previously excluded Samsung Electronics Co., Ltd. from this order. See *Notice of Amended Final Affirmative Countervailing Duty*

Determination: Dynamic Random Access Memory Semiconductors from the Republic of Korea, 68 FR 44290 (July 28, 2003). Thus, the "all others" rate shall apply to all non-reviewed companies until a review of a company assigned this rate is requested.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This administrative review and notice are issued and published in accordance with section 751(a)(1) of the Act.

Dated: February 7, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.

Appendix I

Comments in the Issues and Decision Memorandum

Comment 1: Benefit to Hynix of the 2004 Cash Buyout Program.

Comment 2: The Department's Failure to Investigate Thoroughly the GOK's Entrustment or Direction of Hynix's Creditors in Connection with the CBO Components of the Non-Memory Asset Sale.

Comment 3: Entrustment or Direction of Hynix's Creditors in Connection with the Tranche A Acquisition Financing and CBO Components of the Non-Memory Asset Sale.

Comment 4: Whether the Department Should Have Investigated Hynix's Sale of Its LCD and Non-Memory Assets.

Comment 5: Uncreditworthy Benchmark Interest/Discount Rate.
