ACTION: Notice.

SUMMARY: The Bureau of Land Management (BLM) examined and found suitable for classification for lease and subsequent conveyance under the provisions of the Recreation and Public Purposes (R&PP) Act, as amended, approximately 15 acres of public land in Clark County, Nevada. The Legacy Vineyard Church proposes to use the land for a church and related facilities.

DATES: Interested parties may submit comments regarding the proposed lease/conveyance or classification of the lands until April 2, 2007.

ADDRESSES: Send written comments to the Field Manager, BLM Las Vegas Field

Office, 4701 N. Torrey Pines Drive, Las Vegas, Nevada, 89130.

FOR FURTHER INFORMATION CONTACT:

Sharon DiPinto, Assistant Field Manager, Bureau of Land Management, Las Vegas Field Office, at (702) 515-5062.

SUPPLEMENTARY INFORMATION: The following described public land in Clark County, Nevada, has been examined and found suitable for classification for lease and subsequent conveyance under the provisions of the Recreation and Public Purposes (R&PP) Act, as amended (43 U.S.C. 869 *et seq.*), and is hereby classified accordingly: Mount Diablo Meridian, Nevada T. 19 S., R. 60 E., sec. 31: W¹/₂NE¹/₄SW¹/₄ SE¹/₄, W¹/₂SE¹/₄SW¹/₄SE¹/₄, E¹/₂NW¹/₄SW¹/₄SE¹/₄. Containing 15 acres, more or less.

In accordance with the R&PP Act, the Legacy Vineyard Church filed an application for the above-described 15 acres of public land to be developed as a church and related facilities. These related facilities include a sanctuary building (offices, classrooms, kitchen, restrooms, utility/storage rooms, and a lobby), sidewalks, landscaped areas, paved parking areas, youth athletic fields, and off site improvements. Additional detailed information pertaining to this application, plan of development, and site plans is in case file N-75855 located in the BLM Las Vegas Field Office at the above address.

Churches are a common applicant under the "public purposes" provision of the R&PP Act. The Legacy Vineyard Church is an Internal Revenue Service registered non-profit organization and is, therefore, a qualified applicant under the R&PP Act.

The land is not needed for any Federal purpose. The lease/conveyance is consistent with the Las Vegas Resource Management Plan dated October 5, 1998, and would be in the public interest. The lease/patent, when issued, will be subject to the provisions of the R&PP Act and applicable regulations of the Secretary of the Interior, and will contain the following reservations to the United States:

1. A right-of-way thereon for ditches or canals constructed by the authority of the United States, Act of August 30, 1890 (43 U.S.C. 945).

2. All minerals together with the right to prospect for, mine and remove such deposits from the same under applicable law and such regulations as the Secretary of the Interior may prescribe.

The lease/patent will be subject to:

1. An easement in favor of Clark County for roads, public utilities and flood control purposes.

2. All valid existing rights documented on the official public land records at the time of lease/patent issuance.

On February 16, 2007, the land described above will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for lease/conveyance under the R&PP Act, leasing under the mineral leasing laws, and disposals under the mineral material disposal laws.

Comments

Classification Comments: Interested parties may submit comments involving the suitability of the land for a church and related facilities. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Application Comments: Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for R&PP use.

Confidentiality of Comments: Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments, the classification of the land described in this notice will become effective April 17, 2007. The lands will not be offered for lease/conveyance until after the classification becomes effective.

Authority: 43 CFR part 2741.
