AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination ("ID") of the presiding administrative law judge ("ALJ") in the above-captioned investigation terminating the above-captioned investigation as to all respondents based on withdrawal of the complaint.

FOR FURTHER INFORMATION CONTACT: Michael K. Haldenstein, Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-3041. Copies of the public version of the ALJ's ID and all other nonconfidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone 202-205-2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on June 9, 2006, based on a complaint filed by Novo Nordisk A/S of Denmark, Novo Nordisk Inc., of New Jersey and Novo Nordisk Pharmaceuticals Industries, Inc. of North Carolina. 71 FR 33484 (June 9, 2006). The complaint, as supplemented, alleged violations of section 337 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain insulin delivery devices, including cartridges having adaptor tops, and components

thereof, by reason of infringement of claims 1-3, 5-7, 11, 18, and 19 of U.S. Patent 5,693,027. The complaint further alleged that an industry in the United States exists or is in the process of being established as required by subsection (a)(2) of section 337. The complainants requested that the Commission issue a limited exclusion order and cease and desist order. The Commission named three companies as respondents: Sanofi-Aventis Deutschland GmbH of Germany, Sanofi-Aventis of France, and Aventis Pharmaceuticals, Inc. of New Jersey. The ALJ set August 23, 2007 as the target date for completion of the investigation.

On October 5, 2006, complainants filed a motion to withdraw the complaint and terminate the investigation as to all parties. The three respondents filed a response to the motion on October 13, 2006, arguing that while they did not oppose termination of the investigation, sanctions and termination with prejudice were appropriate. The Commission investigative attorney supported the motion for termination of the investigation and opposed imposition of sanctions and termination of the investigation with prejudice.

On January 29, 2007, the ALJ issued the subject ID (Order No. 6) granting complainants' motion to terminate the investigation without prejudice based upon withdrawal of the complaint. No petitions for review of the ID were filed. The Commission has determined not to review this ID.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and Commission rules 210.21 and 210.42, 19 CFR 210.21 and 210.42.

By order of the Commission.

Issued: February 21, 2007.

Marilyn R. Abbott,

Secretary to the Commission.

[Investigation No. 337-TA-550]

In the Matter of Certain Modified Vaccinia Ankara ("MVA") Viruses and Vaccines and Pharmaceutical Compositions Based Thereon; Notice of Commission Decision to Remand the Final Initial Determination Finding No Violation of Section 337 and To Extend the Target Date for Completion of the Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined to remand the final initial determination ("final ID") of the presiding administrative law judge ("ALJ") finding no violation of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 ("section 337"), in the above-captioned investigation and to extend the target date for completion of the investigation to October 19, 2007.

Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-2000. SUPPLEMENTARY INFORMATION: This investigation was instituted on September 23, 2005, based on a complaint filed by Bavarian Nordic A/S of Denmark ("Bavarian Nordic"). The complaint alleged violations of section 337 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain Modified Vaccinia Ankara ("MVA") viruses and vaccines and pharmaceutical compositions based thereon by reason of infringement of various claims of United States Patent Nos. 6,761,893 and 6,913,752. The complaint also alleged violations of section 337 in the importation of certain MVA viruses and vaccines and pharmaceutical compositions based thereon or in the sale of such articles by reason of misappropriation of trade secrets, the threat or effect of which is to destroy or substantially injure an industry in the United States. The complaint named a single respondent, Acambis PLC ("Acambis") of the United Kingdom. Only the patent allegations remain in this investigation.

After a hearing and post-hearing briefing, the ALJ issued a final initial determination ("final ID") on September 6, 2006, finding no violation of section 337. The ALJ held that the patents were infringed but invalid.

Bavarian Nordic, Acambis, and the Commission investigative attorney filed petitions for review of the final ID. By notice of November 22, 2006, the Commission determined to review the final ID in its entirety, as well as Order No. 10, and to ask the parties for briefing on the issues on review and on remedy, public interest and bonding. The parties submitted their initial and reply briefs on December 12 and December 22, 2006, respectively.

By notice of January 19, 2007, the Commission requested briefing on whether this investigation has become or will shortly become moot, and if so, whether the investigation should be terminated. The parties submitted briefing on January 26, 2007.

The Commission has determined to remand the final ID to the ALJ and to extend the target date for completion of the investigation by eight months to October 19, 2007.

This action is taken under the authority of section 337 of the Tariff Act
