

Carrier Bags from the People's Republic of China: Notice of Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review, 72 FR 7417 (February 15, 2007). The final results are currently due by February 26, 2007.

Extension of Time Limit for Final Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall make a final determination in an administrative review of an antidumping duty order within 120 days after the date on which the preliminary determination is published. The Act further provides, however, that the Department may extend that 120-day period to 180 days if it determines it is not practicable to complete the review within the foregoing time period.

The Department finds that it is not practicable to complete the final results of the administrative review of PRCBs from the PRC by February 26, 2007, due to complex issues related to the calculation of surrogate financial ratios. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the final results of this review to 180 days after publication of the *Preliminary Results*. Therefore, the final results are now due no later than March 12, 2007.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: February 26, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION:

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act) and section 351.214(i)(1) of the Department of Commerce's (Department) regulations require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated, and the final results of review within 90 days after the date on which the preliminary results were issued. However, if the Department determines that the issues are extraordinarily complicated, section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(2) of the Department's regulations allow the Department to extend the deadline for the preliminary results to up to 300 days after the date on which the new shipper review was initiated.

Background

On September 26, 2006, the Department published a notice of initiation of a new shipper review of the antidumping duty order on stainless steel bar from India for Ambica Steels Limited (Ambica), covering the period February 1, 2006 through July 31, 2006. *See Stainless Steel Bar from India: Notice of Initiation of Antidumping Duty New Shipper Review*, 71 FR 56105 (September 26, 2006). On January 24, 2007, the Department initiated a cost investigation of Ambica. The preliminary results for this review are currently due no later than March 19, 2007.

Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(2)(B)(iv) of the Act, the Department may extend the deadline for completion of the preliminary results of a new shipper review if it determines that the case is extraordinarily complicated. Because the Department needs additional time to evaluate Ambica's recently submitted cost information, examine sales issues, such as product grade hierarchy, and to issue additional supplemental questionnaires, the Department has determined that this review is extraordinarily complicated, and the preliminary results of this new shipper review cannot be completed within the statutory time limit of 180 days. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(2) of the regulations, the Department is extending the time limit for the completion of the preliminary

results by 120 days until no later than July 17, 2007.

This notice is published pursuant to sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.

Dated: February 27, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

We provided interested parties an opportunity to comment on our preliminary results. We did not receive comments from either domestic or respondent interested parties.
