BILLING CODE 3410-KD-P

DEPARTMENT OF AGRICULTURE**Grain Inspection, Packers and Stockyards Administration****Calculating Interest on Reparation Awards Under the Packers and Stockyards Act**

AGENCY: Grain Inspection, Packers and Stockyards Administration, USDA.

ACTION: Notice.

SUMMARY: The Department of Agriculture (USDA) has changed the method used to calculate interest on reparation awards under the Packers and Stockyards Act, 1921 (P&S Act). The P&S Act calculation will be consistent with interest awarded on monetary judgments in Federal courts.

EFFECTIVE DATE: March 7, 2007.

FOR FURTHER INFORMATION CONTACT: S. Brett Offutt, Director, Policy and Litigation Division, USDA GIPSA, by telephone at (202) 720-7363, or e-mail at S.Brett.Offutt@usda.gov.

SUPPLEMENTARY INFORMATION: The Grain Inspection, Packers and Stockyards Administration (GIPSA) administers and enforces the Packers and Stockyards Act, 1921 (P&S Act). The P&S Act prohibits unfair, deceptive, and fraudulent practices by livestock market agencies, dealers, stockyard owners, meat packers, swine contractors, and live poultry dealers in the livestock, poultry, and meatpacking industries.

Section 308 of the P&S Act (7 U.S.C. 209) makes persons subject to the P&S Act liable to the person or persons injured, when the injury involves the purchase, sale or handling of livestock or the purchase or sale of poultry, or if the injury relates to a poultry growing arrangement or swine production contract, and is caused by violations of the P&S Act or the violation of an order of the Secretary under the P&S Act. Section 309 of the P&S Act (7 U.S.C. 210) sets out procedures for making reparation complaints to the Secretary for actions of stockyard owners, market agencies, or dealers in violation of sections 304, 305, 306, or 307 (7 U.S.C. 204, 205, 207 or 208), or an order of the Secretary under Title III of the P&S Act.

A person may file a reparation complaint with the Secretary under the P&S Act or pursue a claim for award of damages in any district court of the United States of competent jurisdiction. The decision of the Secretary can also be appealed to the Federal district courts.

How will the interest rate be determined?

GIPSA will follow the same procedural statute for assessing interest on money judgments as that used in civil cases recovered in Federal courts, which is found in 28 U.S.C. 1961. Accordingly, the interest rate on all reparation awards ordered under the P&S Act, subsequent to the publication of this notice, will be calculated using an interest rate equal to the weekly average 1-year constant maturity Treasury yield for the calendar week preceding the date of the Order, as published by the Board of Governors of the Federal Reserve System in the Federal Reserve Statistical Release (H.15) for Selected Interest Rates. The interest will be computed daily at that same rate, and compounded annually, until the full payment is received.
