

DEPARTMENT OF LABOR**Employment and Training
Administration**

[TA-W-59,838]

**Sara Lee Intimates, Currently Known
As Hanesbrands, Inc., Statesville, NC;
Amended Certification Regarding
Eligibility To Apply for Worker
Adjustment Assistance and Alternative
Trade Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on August 17, 2006, applicable to workers of Sara Lee Intimates, a division of Sara Lee Branded Apparel, Statesville, North Carolina. The notice was published in the **Federal Register** on September 6, 2006 (71 FR 52583).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers at the Statesville, North Carolina location produce women's intimate apparel.

New information shows that Sara Lee Intimates is currently known as Hanesbrands, Inc. In September 2006, Sara Lee Corporation spun-off its Branded Apparel business and created an independent company, Hanesbrands, Inc. Workers separated from employment at the subject firm had their wages reported under a separate unemployment insurance (UI) tax account for Hanesbrands, Inc.

Accordingly, the Department is amending the certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of Sara Lee Intimates who were adversely affected by a shift in production to Honduras.

The amended notice applicable to TA-W-59,838 is hereby issued as follows:

"All workers of Sara Lee Intimates, currently known as Hanesbrands, Inc., Statesville, North Carolina, who became totally or partially separated from employment on or after August 1, 2005, through August 17, 2008, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974."

Signed at Washington, DC, this 7th day of March 2007.

Linda G. Poole,

*Certifying Officer, Division of Trade
Adjustment Assistance.*

**NATIONAL ARCHIVES AND RECORDS
ADMINISTRATION****Agency Information Collection
Activities: Submission for OMB
Review; Comment Request**

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice.

SUMMARY: NARA is giving public notice that the agency has submitted to OMB for approval the information collections described in this notice. The public is invited to comment on the proposed information collection pursuant to the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted to OMB at the address below on or before April 13, 2007 to be assured of consideration.

ADDRESSES: Send comments to Desk Officer for NARA, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; fax: 202-395-5167.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the proposed information collection and supporting statement should be directed to Tamee Fechhelm at telephone number 301-837-1694 or fax number 301-713-7409.

SUPPLEMENTARY INFORMATION: Pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104-13), NARA invites the general public and other Federal

agencies to comment on proposed information collections. NARA published a notice of proposed collection for this information collection on December 28, 2006 (71 FR 78225 and 78226). No comments were received. NARA has submitted the described information collection to OMB for approval.

In response to this notice, comments and suggestions should address one or more of the following points: (a) Whether the proposed information collections are necessary for the proper performance of the functions of NARA; (b) the accuracy of NARA's estimate of the burden of the proposed information collections; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including the use of information technology; and (e) whether small businesses are affected by these collections. In this notice, NARA is soliciting comments concerning the following information collection:

1. *Title:* Applicant Background Survey.
OMB number: 3095-0045.
Agency form number: NA Form 3035.
Type of review: Regular.
Affected public: Individuals and households.
Estimated number of respondents: 5,547.
Estimated time per response: 5 minutes.
Frequency of response: On occasion (when applicant wishes to apply for a job at NARA).

Estimated total annual burden hours: 460 hours.

Abstract: NARA is below parity with the relevant Civilian Labor Force representation for many of our mission critical occupations, and has developed a 10 year Strategic Plan to improve representation and be more responsive to the changing demographics of the country. The only way to determine if there are barriers in the recruitment and selection process is to track the groups that apply and the groups at each stage of the selection process. There is no other objective way to make these determinations and no source of this information other than directly from applicants.

The information is not provided to selecting officials and plays no part in the selection of individuals. Instead, it is used in summary form to determine trends over many selections within a given occupation or organizational area. The information is treated in a very confidential manner. No information from this form is entered into the

Personnel File of the individual selected, and the records of those not selected are destroyed after the conclusion of the selection process.

The format of the questions on ethnicity and race are compliant with the OMB requirements and are identical to those used in the year 2000 census. This form is a simplification and update of a similar OPM applicant background survey used by NARA for many years.

This form is used to obtain source of recruitment, ethnicity, race, and disability data on job applicants to determine if the recruitment is effectively reaching all aspects of the relevant labor pool and to determine if there are proportionate acceptance rates at various stages of the recruitment process. Response is optional. The information is used for evaluating recruitment only, and plays no part in the selection of who is hired.

2. *Title:* Personal Identity Verification (PIV) Request.

OMB number: 3095-0057.

Agency form number: NA Form 6006.

Type of review: Regular.

Affected public: Individuals or households, Business or other for-profit, Federal government.

Estimated number of respondents: 1,500.

Estimated time per response: 3 minutes.

Frequency of response: On occasion.

Estimated total annual burden hours: 75 hours.

Abstract: The collection of information is necessary as to comply with HSPD-12 requirements. Use of the form is authorized by 44 U.S.C. 2104. At the NARA College Park facility, individuals receive a proximity card with the Federal Identity Card (FIC) that is electronically coded to permit access to secure zones ranging from a general nominal level to stricter access levels for classified records zones. The proximity card system is part of the security management system that meets the accreditation standards of the Government intelligence agencies for storage of classified information and serves to comply with E.O. 12958.

Dated: March 8, 2007.

Assistant Archivist for Information Services.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

Records Schedules; Availability and Request for Comments

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of availability of proposed records schedules; request for comments.

SUMMARY: The National Archives and Records Administration (NARA) publishes notice at least once monthly of certain Federal agency requests for records disposition authority (records schedules). Once approved by NARA, records schedules provide mandatory instructions on what happens to records when no longer needed for current Government business. They authorize the preservation of records of continuing value in the National Archives of the United States and the destruction, after a specified period, of records lacking administrative, legal, research, or other value. Notice is published for records schedules in which agencies propose to destroy records not previously authorized for disposal or reduce the retention period of records already authorized for disposal. NARA invites public comments on such records schedules, as required by 44 U.S.C. 3303a(a).

DATES: Requests for copies must be received in writing on or before April 13, 2007. (Note that the new time period for requesting copies has changed from 45 to 30 days after publication). Once the appraisal of the records is completed, NARA will send a copy of the schedule. NARA staff usually prepare appraisal memorandums that contain additional information concerning the records covered by a proposed schedule. These, too, may be requested and will be provided once the appraisal is completed. Requesters will be given 30 days to submit comments.

ADDRESSES: You may request a copy of any records schedule identified in this notice by contacting the Life Cycle Management Division (NWML) using one of the following means:

Mail: NARA (NWML), 8601 Adelphi Road, College Park, MD 20740-6001.

E-mail: requestschedule@nara.gov.

FAX: 301-837-3698.

Requesters must cite the control number, which appears in parentheses after the name of the agency which submitted the schedule, and must provide a mailing address. Those who desire appraisal reports should so indicate in their request.
