

from Authentication to Certification and Accreditation. Records in the Justice FDMS will be maintained in a secure, password protected electronic system that will utilize security hardware and software to include: multiple firewalls, active intruder detection, and role-based access controls. Additional safeguards will vary by component.

RETENTION AND DISPOSAL:

Each component will handle its records in accordance with its records schedule as approved by the National Archives and Records Administration (NARA). Electronic data will be retained and disposed of in accordance with the component's records schedule pending approval by the NARA. The majority of documents residing on this system will be public comments and other documentation in support of Federal rulemakings. All **Federal Register** rulemakings are part of the Justice FDMS and are identified as official records and retained by NARA.

SYSTEM MANAGERS AND ADDRESSES:

Technical Issues: Justice Department, Deputy Chief Information Officer for E-Government, Office of the Chief Information Officer, United States Department of Justice, 950 Pennsylvania Avenue, NW., RFK Main Building, Washington, DC 20530.

Policy Issues: Justice Department FDMS Policies System Administrator, Office of Legal Policy, United States Department of Justice, 950 Pennsylvania Avenue, NW., RFK Main Building, Washington, DC 20530.

Component Managers can be contacted through the Department's System Managers.

NOTIFICATION PROCEDURE:

Records concerning comments received through FDMS pertaining to DOJ rulemaking are maintained by the individual DOJ component to which the comment was directed. Inquiries regarding these records should be addressed to the particular DOJ component maintaining the records at Department of Justice, 950 Pennsylvania Avenue, NW., RFK Main Building, Washington, DC 20530. For records concerning the DOJ FDMS system generally, requests should be made to the System Manager for technical or policy issues as appropriate, listed above.

RECORD ACCESS PROCEDURES:

Requests for access may be made by appearing in person or by writing to the appropriate system manager at the address indicated in the System Managers and Addresses section, or as

described in the Notification Procedures, above. The envelope and letter should be clearly marked "Privacy Act Request." The request should include a general description of the records sought and must include the requester's full name, current address, and date and place of birth. The request must be signed, dated, and either notarized or submitted under penalty of perjury.
