SUPPLEMENTARY INFORMATION: The Rural Housing and Economic Development program was authorized by the Department of Veterans Affairs, Housing

and Urban Development and Independent Agencies Appropriations Act of 1999. The competition was announced in the NOFA published March 8, 2006 (71 FR 11903). Applications were rated and selected for funding on the basis of selection criteria contained in that notice.

The Catalog of Federal Domestic Assistance number for this program is 14.250.

The Rural Housing and Economic Development Program is designed to build capacity at the State and local level for rural housing and economic development and to support innovative housing and economic development activities in rural areas. Eligible applicants are local rural non-profit organizations, community development corporations, federally recognized Indian tribes, state housing finance agencies, and State community and/or economic development agencies. The funds made available under this program were awarded competitively, through a selection process conducted by HUD.

For the Fiscal Year 2006 competition, a total of \$16,800,000 was awarded to 56 projects nationwide.

In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat. 1987, 42 U.S.C. 3545), the Department is publishing the grantees and amounts of the awards in Appendix A to this document.

Dated: February 22, 2007.

Nelson R. Bregón,

General Deputy Assistant Secretary for Community Planning and Development.

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

Notice of Intent To Prepare Comprehensive Conservation Plans and Environmental Assessments for Mandalay and Bayou Teche National Wildlife Refuges in South Louisiana

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of intent.

SUMMARY: This notice advises the public that the Fish and Wildlife Service intends to gather information necessary to prepare comprehensive conservation plans and environmental assessments pursuant to the National Environmental Policy Act and its implementing regulations for Mandalay and Bayou Teche National Wildlife Refuges in Terrebonne and Saint Mary Parishes, Louisiana. Mandalay and Bayou Teche Refuges are two of the eight refuges administered by the Southeast

Louisiana National Wildlife Refuge Complex. The purpose in developing a comprehensive conservation plan is to provide refuge managers with a 15-year strategy for achieving refuge purposes and contributing toward the mission of the National Wildlife Refuge System, consistent with sound principles of fish and wildlife management, conservation, legal mandates, and Service policies. In addition to outlining broad management direction on conserving wildlife and their habitats, plans identify wildlife-dependent opportunities available to the public, including opportunities for hunting, fishing, wildlife observation, wildlife photography, and environmental education and interpretation.

The purpose of this notice is to achieve the following:

- (1) Advise other agencies and the public of our intentions, and
- (2) Obtain suggestions and information on the scope of issues to include in the environmental documents.

DATES: Please provide written comments on the scope of issues to include in the

environmental documents by May 18, 2007.

ADDRESSES: Address comments, questions, and requests for further information to the following: Charlotte Parker, Natural Resource Planner, Southeast Louisiana National Wildlife Refuge Complex, 61389 Highway 434, Lacombe, Louisiana 70445; Telephone: 985-882-2000. Comments may also be submitted electronically to Charlotte_Parker@fws.gov.

SUPPLEMENTARY INFORMATION: Open house style public scoping meetings will be held in Houma and Franklin during the comprehensive conservation plan development phase. Special mailings, newspaper articles, and other media announcements will be used to inform the public and state and local government agencies of the opportunities for input throughout the planning process. Many elements will be considered, including wildlife and habitat management, public recreational activities, and cultural resource protection. Public input into the planning process is essential. All comments received become part of the official public record. Requests for such
