

The changes do not involve a physical alteration of the plant (i.e., no new or different type of equipment will be installed) or a change in the methods governing normal plant operation. In addition, the changes do not impose any new or different requirements or eliminate any existing requirements. The changes do not alter assumptions made in the safety analysis. The proposed changes are consistent with the safety analysis assumptions and current plant operating practice.

Therefore, the changes do not create the possibility of a new or different kind of accident from any accident previously evaluated.

3. Does the proposed change involve a significant reduction in a margin of safety?

Response: No.

The proposed changes do not alter the manner in which safety limits, limiting safety system settings or limiting conditions for operation are determined. The safety analysis acceptance criteria are not impacted by these changes. The proposed changes will not result in plant operation in a configuration outside the design basis.

Therefore, it is concluded that the proposed change does not involve a significant reduction in a margin of safety.

Based on the above, the proposed change involves no significant hazards consideration under the standards set forth in 10 CFR 50.92(c), and accordingly, a finding of no significant hazards consideration is justified.

Dated at Rockville, Maryland, this XXth day of XX, 2007.

BILLING CODE 7590-01-P

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon written request, copies available from: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 17Ad-11, SEC File No. 270-261, OMB Control No. 3235-0274.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

• Rule 17Ad-11: Reports Regarding Aged Record Differences, Buy-ins, and Failure To Post Certificate Detail To Master Securityholder Files

Rule 17Ad-11 (17 CFR 240.17Ad-11) requires all registered transfer agents to report to issuers and the appropriate regulatory agency in the event that aged record differences exceed certain dollar value thresholds. An aged record difference occurs when an issuer's records do not agree with those of securityowners as indicated, for instance, on certificates presented to the transfer agent for purchase, redemption or transfer. In addition, the rule requires transfer agents to report to the appropriate regulatory agency in the event of a failure to post certificate detail to the master securityholder file within 5 business days of the time required by Rule 17Ad-10 (17 CFR 240.17 Ad-10). Also, transfer agents must maintain a copy of each report prepared under Rule 17Ad-11 for a period of three years following the date of the report. This recordkeeping requirement assists the Commission and other regulatory agencies with monitoring transfer agents and ensuring compliance with the rule.

Because the information required by Rule 17Ad-11 is already available to transfer agents, any collection burden for small transfer agents is minimal. The staff estimates that the average number of hours necessary to comply with Rule 17Ad-11 is one hour annually. Based upon past submissions, the total burden is 50 hours annually for the transfer agent industry.

The retention period for the recordkeeping requirement under Rule 17Ad-11 is three years following the date of a report prepared pursuant to the rule. The recordkeeping requirement under Rule 17Ad-11 is mandatory to assist the Commission and other regulatory agencies with monitoring transfer agents and ensuring compliance with the rule. This rule does not involve the collection of confidential information. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Comments should be directed to (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or by sending an e-mail to: David_Rostker@omb.eop.gov; and (ii) R. Corey Booth, Director/Chief Information

Officer, Securities and Exchange Commission, c/o Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312 or send an e-mail to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Dated: March 7, 2007.

Florence E. Harmon,

Deputy Secretary.

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

Submissions for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Form 10-QSB, OMB Control No. 3235-0416, SEC File No. 270-369.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Form 10-QSB (17 CFR 249.308b) is a quarterly report form that is available to "small business issuers" as defined by regulations under the Securities Exchange Act of 1934 ("Exchange Act") (15 U.S.C. 78a *et seq.*), and is used by such issuers to satisfy their quarterly reporting obligations pursuant to Section 13 and Section 15(d) of the Exchange Act (15 U.S.C. 78m and 78o(d)). Form 10-QSB provides a comprehensive overview of the small business issuer's business, although its requirements call for slightly less detailed information than required by Form 10-Q (17 CFR 249.308a). The information provided is mandatory and all information is made available to the public upon request. Form 10-QSB takes approximately 182 hours per response to prepare and is filed by 4,066 respondents three times a year for a total of 12,198 responses. We estimate that 75% of the 182 hours per response (136.5 hours) is prepared by the company for a total annual reporting burden of 1,665,027 hours (136.5 hours per response × 12,198 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information

unless it displays a currently valid control number.

Written comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or send an e-mail to David_Rostker@omb.eop.gov; and (ii) R. Corey Booth, Director/Chief Information Officer, Securities and Exchange Commission, c/o Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Dated: March 7, 2007.

Florence E. Harmon,

Deputy Secretary.

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon written request copies available from: Securities and Exchange Commission, Office of Filing and Information Services, Washington, DC 20549.

Extension: Rule 17Ad-10, SEC File No. 270-265, OMB Control No. 3235-0273.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

• **Rule 17Ad-10: Prompt posting of certificate detail to master securityholder files, maintenance of accurate securityholder files, communications between co-transfer agents and recordkeeping transfer agents, maintenance of current control book, retention of certificate detail and "buy-in" of physical over-issuance**

Rule 17Ad-10 (17 CFR 240.17Ad-10), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*), requires a registered transfer agent to create and maintain minimum information on securityholders' ownership of an issue of securities for which it performs transfer agent functions, including the purchase, transfer and redemptions of

securities. In addition, the rule also requires transfer agents that maintain securityholder records to keep certificate detail that has been cancelled from those records for a minimum of six years and to maintain and keep current an accurate record of the number of shares or principle dollar amount of debt securities that the issuer has authorized to be outstanding (a "control book"). These recordkeeping requirements assist in the creation and maintenance of accurate securityholder records, the ability to research errors, and ensure the transfer agent is aware of the number of securities that are properly authorized by the issuer, thereby avoiding overissuance.

There are approximately 760 registered transfer agents. The staff estimates that the average number of hours necessary for each transfer agent to comply with Rule 17Ad-10 is approximately 20 hours per year, totalling 15,200 hours industry-wide. The average cost is approximately \$50 per hour, with the industry-wide cost estimated at approximately \$760,000. However, the information required by Rule 17Ad-10 generally already is maintained by registered transfer agents. The amount of time devoted to compliance with Rule 17Ad-10 varies according to differences in business activity.

The retention period for the recordkeeping requirements under Rule 17Ad-10 is six years for certificate detail that has been cancelled and to maintain and keep current an accurate record of the number of shares or principle dollar amount of debt securities that the issuer has authorized to be outstanding. The recordkeeping requirement under Rule 17Ad-10 is mandatory to ensure accurate securityholder records and to assist the Commission and other regulatory agencies with monitoring transfer agents and ensuring compliance with the rule. This rule does not involve the collection of confidential information. Persons should note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General comments regarding the estimated burden hours should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or by sending an e-mail to: David_Rostker@omb.eop.gov; and (ii) R. Corey Booth, Director/Chief Information

Officer, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312 or by sending an e-mail to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Dated: March 7, 2007.

Florence E. Harmon,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon written request, copies available from: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 17Ad-13, SEC File No. 270-263, OMB Control No. 3235-0275.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

• **Rule 17Ad-13 Annual Study and Evaluation of Internal Accounting Control**

Rule 17Ad-13(17 CFR 240.17 Ad-13) requires approximately 200 registered transfer agents to obtain an annual report on the adequacy of internal accounting controls. In addition, transfer agents must maintain copies of any reports prepared pursuant to Rule 17Ad-13 plus any documents prepared to notify the Commission and appropriate regulatory agencies in the event that the transfer agent is required to take any corrective action. These recordkeeping requirements assist the Commission and other regulatory agencies with monitoring transfer agents and ensuring compliance with the rule. Small transfer agents are exempt from Rule 17Ad-13.

The staff estimates that the average number of hours necessary for each transfer agent to comply with Rule 17Ad-13 is one-hundred seventy-five hours annually. The total burden is 35,000 hours annually for transfer agents, based upon past submissions.

The retention period for the recordkeeping requirement under Rule 17Ad-13 is three years following the
