SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon written request copies available from: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 17Ad-2(c),(d), and (h), SEC File No. 270-149, OMB Control No. 3235-0130.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

• Rule 17Ad-2(c), (d), and (h)—Transfer Agent Turnaround, Processing and Forwarding Requirements

Rule 17Ad-2(c), (d), and (h), [17 CFR 240.17Ad-2(c), (d), and (h)], under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*), enumerate the requirements with which transfer agents must comply to inform the Commission or the appropriate regulator of a transfer agent's failure to meet the minimum performance standards set by the Commission rule by filing a notice.

While it is estimated there are 740 transfer agents, approximately ten notices pursuant to 17Ad-2(c), (d), and (h) are filed annually. The estimated annual cost to respondents is minimal. In view of: (a) The readily available nature of most of the information required to be included in the notice (since that information must be compiled and retained pursuant to other Commission rules); (b) the summary fashion that such information must be presented in the notice (most notices are one page or less in length); and (c) the experience of the staff regarding the notices, the Commission staff estimates that, on average, most notices require approximately one-half hour to prepare. The Commission staff estimates that transfer agents spend an average of five hours per year complying with the rule.

The retention period for the recordkeeping requirement under Rule 17Ad-2(c), (d), and (h) is not less than two years following the date the notice is submitted. The recordkeeping requirement under this rule is mandatory to assist the Commission in monitoring transfer agents who fail to meet the minimum performance standards set by the Commission rule. This rule does not involve the collection of confidential information. Please note that a transfer agent is not required to file under the rule unless it does not meet the minimum performance standards for turnaround, processing or forwarding items received for transfer during a month. Persons should note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General comments regarding the estimated burden hours should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an e-mail to:

Corey Booth, Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312 or send an e-mail to: *PRA_Mailbox@sec.gov*. Comments must be submitted to OMB within 30 days of this notice.

Dated: March 7, 2007.

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55440; File No. SR-NASD-2007-019]

Self-Regulatory Organizations: National Association of Securities Dealers, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Revise Effective Date of Amendments to NASD's Order Audit Trail System Rules

March 9, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 1, 2007, the National Association of Securities Dealers, Inc. ("NASD") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by NASD. NASD has designated the proposed rule change as constituting a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NASD is filing the proposed rule change to establish February 4, 2008, as the effective date of the amendments to NASD Rules 6951, 6952, and 6955 that the Commission approved on October 10, 2006.⁴ The amendments expand the Order Audit Trail System ("OATS") reporting requirements to over-the-counter ("OTC") equity securities. No changes are being proposed to NASD rule text.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASD has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NASD is filing the proposed rule change to establish February 4, 2008, as the effective date for the amendments to the OATS rules expanding the OATS reporting requirements to OTC equity securities.

On October 10, 2006, the SEC approved SR-NASD-2005-101, which amended NASD Rules 6951, 6952, and 6955 to expand the OATS reporting requirements to include "OTC equity securities," as defined in NASD Rule 6951.⁵ On December 11, 2006, NASD published (1) *Notice to Members 06-70* announcing the Commission's approval of the amendments and (2) a new version of the *OATS Reporting Technical Specifications*. Pursuant to the SEC's approval of SR-NASD-2005-101, the amendments to the OATS rules will go into effect on June 11, 2007, six months following the publication of the revised *OATS Reporting Technical Specifications*.

Since the publication of the *Notice to Members* and the *OATS Reporting Technical Specifications*, many firms have requested that the effective date for

the new reporting requirements be delayed to allow firms sufficient time to make necessary systems updates and changes. As a result of these discussions, NASD seeks to delay the implementation of the new requirements until February 4, 2008, to give firms sufficient time to make necessary changes to their systems to enable them to comply with the expanded OATS reporting requirements. NASD also seeks to delay the implementation of these provisions until after firms have completed technological and systems changes required by the complete implementation of Regulation NMS, which is scheduled for October 2007.

NASD has filed the proposed rule change for immediate effectiveness.

2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁶ which requires, among other things, that NASD rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. NASD believes that the proposed rule change is consistent with the provisions of the Act noted above because extending the effective date will ensure that firms have sufficient time to make the necessary changes to their systems to be able to comply with the new OATS reporting requirements.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section
