On March 15, 2007, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—West, granted the requests for blanket approval under Part 34. The Director's order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of GRH's issuances of securities or assumptions of liability.
