FOR FURTHER INFORMATION CONTACT: Janice Myles of the Competition Policy Division, Wireline Competition Bureau at (202) 418-1577 or e-mail Janice.Myles@fcc.gov.

SUPPLEMENTARY INFORMATION: In February 2002, the Commission issued a Notice of Inquiry, 67 FR 10919, March 11, 2002, to examine whether there was a continued need for the equal access and nondiscrimination obligations contained in antitrust decrees and carried forward by section 251(g) of the Communications Act of 1934, as amended (Act), or contained in the Commission's rules. Since the Commission's Notice of Inquiry was released in 2002, there have been a number of intervening developments that may have rendered the record developed in this proceeding stale. In particular, the market appears to be shifting from competition between stand-alone long distance services to competition between service bundles including both local exchange and long distance services. The industry structure has also changed with the mergers of local and long distance providers. For these reasons, the Wireline Competition Bureau requests that parties update the record with any new information or arguments they believe to be relevant to issues raised in the Notice of Inquiry. This will enable the Commission to undertake appropriate and expedited review of the equal access and nondiscrimination requirements.

All filings must be addressed to the Commission's Secretary, Marlene H. Dortch, Office of the Secretary, Federal Communications Commission, 445 12th Street, SW., Room TW-A325, Washington, DC 20554. Parties should also send a copy of their filings to Janice Myles, Competition Policy Division, Wireline Competition Bureau, Federal Communications Commission, Room 5-C140, 445 12th Street, SW., Washington, DC 20554, or by e-mail to Janice.Myles@fcc.gov. Parties shall also serve one copy with the Commission's copy contractor, Best Copy and Printing, Inc. (BCPI), Portals II, 445 12th Street, SW., Room CY-B402, Washington, DC 20554, (202) 488-5300, or via e-mail to fcc@bcpiweb.com.
