AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 28, 2007.

SUMMARY: The Department of Commerce (the "Department") has determined that a request for a new shipper review of the antidumping duty order on petroleum wax candles from the People's Republic of China ("PRC"), received before February 28, 2007, meets the statutory and regulatory requirements for initiation. The period of review ("POR") of this new shipper review is August 1, 2006, through January 31, 2007.

FOR FURTHER INFORMATION CONTACT: Nicole Bankhead, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-9068.

SUPPLEMENTARY INFORMATION:

Background

The notice announcing the antidumping duty order on petroleum wax candles from the PRC published in the **Federal Register** on August 28, 1986. See *Antidumping Duty Order: Petroleum Wax Candles From the People's Republic of China*, 51 FR 30686 (August 28, 1986).¹ On February 16, 2007, pursuant to 19 CFR 351.214(c), the Department received a new shipper review request from Hangzhou Fashion Living Co., Ltd ("Fashion Living"). On March 7, 2007, the Department requested that Fashion Living correct certain filing deficiencies. See the Department's letter dated March 7, 2007. On March 8, 2007, Fashion Living resubmitted its new shipper request. Fashion Living certified that it is both the producer and exporter of the subject merchandise upon which the request for a new shipper review is based.

Pursuant to section 751(a)(2)(B)(i)(I) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.214(b)(2)(i), Fashion Living certified that it did not export petroleum wax candles to the United States during the period of investigation ("POI"). In addition, pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), Fashion Living certified that, since the initiation of the investigation, it has never been affiliated with any PRC exporter or producer who exported petroleum wax candles to the United States during the POI, including those not individually examined during the investigation. As required by 19 CFR 351.214(b)(2)(iii)(B), Fashion Living also certified that its export activities were

not controlled by the central government of the PRC.

In addition to the certifications described above, pursuant to 19 CFR 351.214(b)(2)(iv), Fashion Living submitted documentation establishing the following: (1) the date on which Fashion Living first shipped petroleum wax candles for export to the United States and the date on which the petroleum wax candles were first entered, or withdrawn from warehouse, for consumption; (2) the volume of its first shipment; and (3) the date of its first sale to an unaffiliated customer in the United States.

The Department conducted customs database queries to confirm that Fashion Living's shipment of subject merchandise had entered the United States for consumption and had been suspended for antidumping duties. We confirmed that Fashion Living's shipment had entered for consumption and been suspended for antidumping duties.

Initiation of New Shipper Review

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), the Department finds that Fashion Living's request meets the threshold requirements for initiation of a new shipper review for the shipment of petroleum wax candles from the PRC it produced and exported. See *Memo to the File from Nicole Bankhead, Senior Case Analyst, through Alex Villanueva, Program Manager, Office 9: New Shipper Review Initiation Checklist*, dated March 19, 2007.

The POR for this new shipper review is August 1, 2006, through January 31, 2007. See 19 CFR 351.214(g)(1)(ii)(B). The Department intends to issue the preliminary results of this review no later than 180 days from the date of initiation, and final results of this review no later than 270 days from the date of initiation. See section 751(a)(2)(B)(iv) of the Act.

Interested parties requiring access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306. This initiation and notice are published in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

¹Therefore, a request for a new shipper review based on the semiannual anniversary month, February, was due to the Department by February 28, 2007. See 19 CFR 351.214(d)(2).

²Fashion Living made no subsequent shipments to the United States, which the Department corroborated using data from U.S. Customs and Border Protection.

Dated: March 19, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request from an interested party, the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on stainless steel bar (SSB) from Spain. The review covers one manufacturer/exporter, Sidenor Industrial SL (Sidenor). The period of review is March 1, 2005, through February 28, 2006.

We have preliminarily determined that Sidenor has made sales below normal value. If these preliminary results are adopted in our final results of administrative review, we will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries.

We invite interested parties to comment on these preliminary results. Parties who submit comments in this review are requested to submit with each argument (1) a statement of the issue and (2) a brief summary of the argument.

EFFECTIVE DATE: March 28, 2007

FOR FURTHER INFORMATION: Dmitry Vladamirov or Mino Hatten, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0665 and (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 2, 1995, the Department published in the **Federal Register** the antidumping duty order on SSB from Spain. See *Amended Final Determination and Antidumping Duty Order: Stainless Steel Bar From Spain*, 60 FR 11656 (March 2, 1995) (SSB Order). On March 2, 2006, the Department published in the **Federal Register** a notice of opportunity to

request an administrative review of the antidumping duty order on SSB from Spain. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 71 FR 10642 (March 2, 2006). On March 29, 2006, Sidenor requested that the Department conduct a review of its U.S. sales made during the period of review. On April 28, 2006, in accordance with 19 CFR 351.213(b), we published a notice of initiation of administrative review of this order. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 71 FR 25145 (April 28, 2006). On December 1, 2006, we published a notice announcing the extension of the due date for the completion of these preliminary results of review from December 1, 2006, to February 13, 2007. See *Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review*, 71 FR 69550 (December 1, 2006) (*Extension Notice*).¹ On February 6, 2007, we published a notice announcing a second extension of the due date for the completion of these preliminary results of review from February 13, 2007, to March 22, 2007. See *Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review*, 72 FR 5419 (February 6, 2007).

The Department is conducting this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Scope of the Order

The product covered by this order is SSB. SSB means articles of stainless steel in straight lengths that have been either hot-rolled, forged, turned, cold-drawn, cold-rolled or otherwise cold-finished, or ground, having a uniform solid cross section along their whole length in the shape of circles, segments of circles, ovals, rectangles (including squares), triangles, hexagons, octagons or other convex polygons. SSB includes cold-finished SSBs that are turned or ground in straight lengths, whether produced from hot-rolled bar or from straightened and cut rod or wire, and reinforcing bars that have indentations, ribs, grooves, or other deformations produced during the rolling process.

¹ In the *Extension Notice* we stated inadvertently that we were extending the time period for issuing the preliminary results of this review to February 13, 2006. On December 15, 2006, we published a correction notice announcing the extension of the due date for the completion of these preliminary results of review to February 13, 2007. See *Correction to Notice of Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review*, 71 FR 75503 (December 15, 2006).

Except as specified above, the term does not include stainless steel semi-finished products, cut length flat-rolled products (*i.e.*, cut length rolled products which if less than 4.75 mm in thickness have a width measuring at least 10 times the thickness, or if 4.75 mm or more in thickness having a width which exceeds 150 mm and measures at least twice the thickness), wire (*i.e.*, cold-formed products in coils, of any uniform solid cross section along their whole length, which do not conform to the definition of flat-rolled products), and angles, shapes and sections.

The SSB subject to this order is currently classifiable under subheadings 7222.10.0005, 7222.10.0050, 7222.20.0005, 7222.20.0045, 7222.20.0075, and 7222.30.0000 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this order is dispositive.
