Title and OMB Number: Customer Satisfaction Surveys—Generic Clearance; OMB Control Number 0704-0403.

Needs and Uses: The information collection requirement is necessary to assess the level of service the Defense Technical Information Center (DTIC) provides to its current customers. The surveys will provide information on the level of overall customer satisfaction, and on customer satisfaction with several attributes of service that impact the level of overall satisfaction. These customer satisfaction surveys are required to implement Executive Order 12862, "Setting Customer Service Standards." Respondents are DTIC registered users who are components of the Department of Defense, military services, other Federal Government Agencies, U.S. Government contractors, universities involved in federally funded research, and participants. The information obtained by these surveys will be used to assist agency senior management in determining agency business policies and processes that should be selected for examination,

modification, and reengineering from the customer's perspective. These surveys will also provide statistical and demographic basis for the design of follow-on surveys. Future surveys will be used to assist monitoring of changes in the level of customer satisfaction over time.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The purpose of these surveys is to assess the level of service the Defense Technical Information Center (DTIC) provides to its current customers. The surveys will provide information on the level of overall customer satisfaction and on customer satisfaction with several attributes of service which impact the level of overall satisfaction. The objectives of the survey are to help DTIC (1) gauge the level of satisfaction among users and (2) identify possible areas for improving our products and services. The surveys are designed to assist in evaluating the following knowledge objectives:

- To improve customer retention;

- To determine the perceived quality of products, service, and customer care;

- To indicate trends in products, services, and customer care;

- To benchmark our customer satisfaction results with other Federal government agencies.

Dated: March 23, 2007.

Patricia L. Toppings,

Alternate OSD Federal Register Liaison Officer, Department of Defense.
