Information: Submission of the information is necessary for the Commission to carry out its responsibilities in implementing the statutory provisions of the Natural Gas Act (NGA) 15 U.S.C. 717. The FERC Form 2-A is a financial and operating report for natural gas rate regulation for nonmajor pipeline owners. A "nonmajor" pipeline owner is one that has combined gas sales for resale and has gas transported or stored for a fee that exceeds 200,000 Dth but which is less than 50 million Dth, in each of the three previous calendar years. Under the Form 2-A, the Commission investigates, collects and records data, and prescribes rules and regulations concerning accounts, records and memoranda as necessary to administer the NGA. The Commission is empowered to prescribe a system of accounts for jurisdictional gas pipelines and after notice and opportunity for hearing, may determine the accounts in which particular outlays and receipts will be entered, charged or credited.

FERC staff uses the data in the continuous review of the financial condition of jurisdictional companies, in various rate proceedings and in the Commission's audit program. FERC Form 2-A data are also used to compute annual charges which are assessed against each jurisdictional natural gas pipeline and which are necessary to recover the Commission's annual costs. The annual charges are required by section 3401 of the Omnibus Budget Reconciliation Act of 1986.

The annual financial information filed with the Commission is a mandatory requirement submitted in a prescribed format which is filed electronically and on paper. The Commission implements these filing requirements in 18 CFR Parts 158, 201, 260.2 and 385.2011.

5. *Respondent Description:* The respondent universe currently comprises 43 companies (on average) subject to the Commission's jurisdiction.

6. *Estimated Burden:* 4,945 total hours, 43 respondents (average), 1 response per respondent, and 115 hours per response (average).

7. *Estimated Cost Burden to respondents:* 4,945 hours/2080 hours per years × \$117,321 per year = \$290,369. The cost per respondent is equal to \$6,753.

Statutory Authority: Statutory provisions of sections 205 (a) and (e) of the Federal Power Act, 16 U.S.C. 824d.

Acting Secretary.

1. *Collection of Information:* FERC 6 "Annual Report of Oil Pipeline Companies."

2. *Sponsor:* Federal Energy Regulatory Commission.

3. *Control No.:* 1902-0022.

The Commission is now requesting that OMB approve and extend the expiration date for an additional three years with no changes to the existing collection. The information filed with the Commission is mandatory.

Information: Submission of the information is necessary for the Commission to carry out its responsibilities in implementing the

statutory provisions of the Interstate Commerce Act (ICA), (49 U.S.C.). The ICA authorizes the Commission to make investigations and to collect and record data and to prescribe rules and regulations concerning accounts, records and memoranda as necessary or appropriate for purposes of administering the ICA. The Commission may prescribe a system of accounts for jurisdictional companies and, after notice and opportunity for hearing may determine the accounts in which particular outlays and receipts will be entered, charged or credited. Every pipeline carrier subject to the provisions of Section 20 of the ICA must electronically file with the Commission through Commission-provided software.

The Commission's Office of Enforcement uses the collected FERC Form 6 data to assist in the implementation of its financial audits and investigation programs, in the continuous review of the financial condition of regulated companies and in the assessment of energy markets. The Office of Energy Markets and Reliability (OEMR) uses the data collected for its various rate proceedings and economic analyses. The Office of Administrative Litigation (OAL) uses the data collected for background research for use in litigation. The Office of General Counsel uses the data in its programs relating to the administration of the ICA. These annual charges are required by Section 3401 of the Budget Act.

Most notably, the ICA mandates the collection of information needed by the Commission to perform its regulatory responsibilities in the setting of the just and reasonable rates. The Commission could be held in violation of the ICA if the information was not collected.
