

eliminate duties on between 175,000 and 250,000 metric tons, raw value, of sugar goods of Mexico that are classified in the tariff items listed below. Duties on these goods would be eliminated on October 1, 2007. Section 201(b) of the North American Free Trade Agreement Implementation Act (Act) authorizes the President, subject to the consultation and layover requirements in section 103(a) of the Act, to proclaim such modifications as the United States may agree to with Mexico or Canada regarding the staging of any duty treatment set forth in Annex 302.2 of the NAFTA. Section 103(a) requires the President to obtain advice regarding the proposed action from the Commission.

The USTR requested that the Commission provide advice as to the probable economic effect on domestic industries producing like or directly competitive articles, workers in these industries, and on consumers of the affected goods, of eliminating the U.S. tariff under the NAFTA on between 175,000 and 250,000 metric tons, raw value, of sugar goods of Mexico falling under the following Harmonized Tariff Schedule subheadings: (1) 1701.11.50 (raw cane sugar); (2) 1701.12.50 (raw beet sugar); (3) 1701.91.30 (refined sugar, containing added coloring); (4) 1701.99.50 (other refined sugar); (5) 1702.90.20 (other sugar and syrups, containing 6 percent or less soluble non-sugar solids); and (6) 2106.90.46 (sugar syrups, containing added coloring).

As requested, the Commission will provide its advice to the USTR by June 15, 2007. USTR has classified as Confidential the sections of the report that analyze probable economic effects, as well as other information that would reveal any aspect of the probable economic effects advice. USTR also requested that the Commission issue, as soon as possible after June 15, a public version of its report with any confidential business information deleted. Accordingly, the Commission will issue a public version of the report as soon as possible after June 15 and completion of USTR's review for classification purposes. The public version of the report will not include any sections of the report or information that USTR has classified as Confidential, or any information that the Commission considers to be confidential business information.

The Commission may include some or all of the confidential business information submitted in the course of this investigation in the report it sends to the USTR and the President. Masterwear Corporation, et al.*, Civil Action No. 05-cv-00373, was lodged with the United States District Court for the Southern District of Indiana.

The Consent Decree would resolve claims for unreimbursed past response costs and projected future response costs incurred by the United States related to the ongoing removal action at the Masterwear Superfund Site ("Site") in Martinsville, Indiana.
