

information technology, e.g., permitting electronic submission of responses.

This Notice also lists the following information:

Title of Proposal: Employee Questionnaire and Complaint Intake.

OMB Control Number, if applicable: 2501-0018.

Description of the need for the information and proposed use: HUD and local agencies administering HUD-assisted programs must enforce Federal wage and reporting requirements on covered HUD-assisted construction and maintenance work. Enforcement activities include contacting laborers and mechanics and requesting information about their employment on covered projects. In addition, HUD and local agencies may be contacted by the workers or by others who wish to file a

complaint of labor standards violation(s). HUD and local agencies have used many formats to collect worker information and to record complainant information. HUD proposes to standardize and institute two forms for these collections: an employee questionnaire (in English, Spanish, and electronic versions) and a complaint intake form. The questionnaire may be mailed to employees or may be otherwise provided to them to complete and return to HUD or the local agency. The questionnaire is also available on-line through HUD's Web site. This version can be completed on-screen for electronic submission or it can be printed for hard-copy submission. Complaint intake forms will be used by HUD and local agency personnel to

record information provided by complainants about the nature of the alleged violation(s). Both forms may be supplemented with additional pages, as needed. Responses and the provision of supplemental information are voluntary on the part of questionnaire respondents. Questionnaire responses and complaint intake forms must be retained by the HUD and local agencies to document the sufficiency of enforcement efforts.

Agency form numbers, if applicable: Forms HUD-4730, HUD-4370E, HUD-4370SP; and HUD-4731.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response:

Item	Number of respondents	Amount of time required (hours)	Total time required (in hrs.)/ annum
HUD-4730 (including 4730E and 4730SP)	2,000	.25-.5	500-1,000
HUD-4731	500	.25-.5	125-250
Record keeping	2,500	1	2,500
Total Annual Burden	3,125-3,750

Status of the proposed information collection: Extension of a currently approved collection.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C., Chapter 35, as amended.

Dated: April 9, 2007.
