[Docket No. MARAD–2007–27875]

Information Collection Available for Public Comments and Recommendations

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice announces the Maritime Administration's (MARAD) intention to request the Office of Management and Budget's (OMB) approval for a new information collection related to the availability of mariners.

DATES: Comments should be submitted on or before June 15, 2007.

FOR FURTHER INFORMATION CONTACT: Jean McKeever, Maritime Administration, MAR–700, 400 Seventh Street, SW., Washington, DC 20590. Telephone: (202) 366–5737, fax: (202) 366–7901; or e-mail: *jean.mckeever@dot.gov* Copies of this collection can also be obtained from that office.

SUPPLEMENTARY INFORMATION: *Title of Collection:* MARAD Maritime Operator Survey Concerning Mariner Availability.

Type of Request: New Collection.

OMB Control Number: 2133—New.

Form Numbers: MA–1048.

Expiration Date of Approval: Three years from date of approval by the Office of Management and Budget.

Summary of Collection of Information: Part of the stated statutory policy of the Merchant Marine Act, 1936, is to foster the development and maintenance of an adequate U.S.-flag merchant marine manned with trained and efficient citizen personnel. In order to successfully meet this mandate, MARAD must determine whether a current or projected shortage of mariners exists and if there is an operational or business impact on the merchant marine. MARAD believe that a brief preliminary survey is necessary at this time because it has received an abundance of anecdotal information indicating that there is a serious existing and projected mariner shortage in different market sectors. If the preliminary survey indicates that there is a projected shortage that appears to be more than short-term, MARAD will follow-up with a more detailed survey to analyze the shortage and ascertain the best means to address it.

Need and Use of the Information: The new data collection will rely on a written survey and telephone follow-up. The survey will request the respondents to provide information such as: (1) Future plans to hire mariners; (2) past difficulty in hiring mariners; (3) expectations of future difficulty in hiring mariners; (4) impact on business operations and plans; and (5) suggestions for solutions.

Description of Respondents: The target population for the survey will be approximately 100 vessel operating companies representing different sectors of the U.S. maritime industry.

Annual Responses: 100.

Annual Burden: 33.34 hours.

Comments: Comments should refer to the docket number that appears at the top of this document.
