

in conformance with rule 69, and seeks to have it considered under the Commission's rules for expedited minor classification cases. Notice at 1; 39 CFR 3001.69. In support of this treatment, it notes that the requested change is minor. It also observes that although no particular need for expedition exists, the proposed change meets the requirements set out in the expedited rules, as it does not involve a change in any rate or fee; does not impose any additional eligibility restrictions; and will not significantly change the estimated institutional cost contribution of the affected subclasses. Request at 3.

III. Suspension Option

The Service asserts that the Commission has some discretion in handling the Request in light of current PAEA implementation activity. It observes:

While the formal thrust of this Request would extend expiration of RPN provisional service until April 3, 2008, the Postal Service would also support another procedural option. The Commission could suspend all activity in this docket until PAEA implementation matures sufficiently to illuminate other options for moving forward, or until a further request involving RPNs is filed. The Postal Service is prepared to defer to the Commission's preference here.

Id. at 2. The Service addresses additional issues related to suspension in the accompanying Notice. Notice at 2.

IV. Preliminary Procedural Steps

The Commission's rules for expedited minor classification cases set out several pre-established deadlines designed to foster expedition. For example, rule 69 requires that the Commission issue notice of the proceeding within 5 days of the Service's filing. This notice, among other things, must afford interested persons 15 days after filing of the Postal Service's request to intervene and to respond to the Postal Service's proposal to have its Request considered under rule 69 procedures. Consistent with this requirement, intervention shall be allowed until April 20, 2007. Intervenors seeking a hearing on issues raised in the Request shall identify the fact or facts in the Postal Service filing that require a hearing.

To assist the Commission in determining an appropriate course of action, intervenors, in addition to addressing the appropriateness of using the expedited rules in this proceeding, are invited to address the Service's suggestion that suspension is an appropriate option; the Service's conditional Motion for Waiver; and the possibility of settlement. These

pleadings, which may be combined, are due no later than April 20, 2007.

Public participation. In conformance with section 3624(a) of title 39, the Commission designates Shelley S. Dreifuss, director of the Commission's Office of the Consumer Advocate, to represent the interests of the general public in this proceeding. Pursuant to this designation, Ms. Dreifuss will direct the activities of Commission personnel assigned to assist her and, upon request, will supply their names for the record. Neither Ms. Dreifuss nor any of the assigned personnel will participate in or provide advice on any Commission decision in this proceeding.

V. Ordering Paragraphs

It is ordered:

1. The Commission establishes Docket No. MC2007-2 to consider the Postal Service Request referred to in the body of this order.

2. The Commission will act *en banc* in this proceeding.

3. Notices of intervention shall be filed no later than April 20, 2007.

4. Responses to the Service's request for consideration of its Request under rule 69 are due no later than April 20, 2007.

5. Comments on the Service's suggestion that suspension of this docket is a procedural option are due no later than April 20, 2007.

6. Answers to the Service's Conditional Motion for Waiver are due no later than April 20, 2007.

7. Comments on the appropriateness of authorizing settlement procedures in this proceeding are due no later than April 20, 2007.

8. Shelley S. Dreifuss, director of the Commission's Office of the Consumer Advocate, is designated to represent the interests of the general public.

9. The Secretary shall cause this Notice and Order to be published in the **Federal Register**.

Issued: April 10, 2007.

By the Commission.

Garry J. Sikora,

Acting Secretary.

Asia-Pacific Partnership on Clean Development and Climate; Notice of Grant Opportunity

The U.S. Department of State invites organizations interested in contributing to the Asia-Pacific Partnership's goals,

through innovative public-private partnerships, to submit concept papers for consideration under the Annual Program Statement (APS) using www.grants.gov.

Background

Australia, China, India, Japan, Korea, and the United States have established the Asia-Pacific Partnership on Clean Development and Climate to accelerate the development and deployment of clean energy technologies in their countries. The Partner countries have decided to work together and with their private sectors on energy security, national air pollution reduction, and climate change in ways that promote sustainable economic growth and poverty reduction. The Partnership involves countries that account for about half of the world's population and more than half of the world's economy and energy use.

The Partnership focuses on voluntary practical measures taken by these six countries in the Asia-Pacific region to create new investment opportunities, build local capacity, and remove barriers to the introduction of clean, more efficient technologies. It brings together key experts from the public and private sectors.

As a part of the U.S. government's participation in the Asia-Pacific Partnership on Clean Development and Climate (APP), the Department of State (DOS) is soliciting Concept Papers from organizations interested in contributing to the Partnership's goals through innovative public-private partnerships. These goals include reducing greenhouse gas emissions; advancing sustainable economic growth; reducing poverty; creating new investment opportunities; building local capacity; and improving economic and energy security.

Prospective applicants may include a wide range of Partner country organizations, from non-governmental organizations (NGOs) to commercial firms. An organization may submit no more than four (4) Concept Papers total as lead grant recipient for the entire Concept Paper process.

The DOS has requested \$26 million in Economic Support Funds (ESF) to fund Partnership activities in Fiscal Year 2007. Through this Announcement, the Department of State is soliciting proposals for activities to be undertaken in India. The Department of State is not soliciting proposals for activities to be undertaken in Australia, China, Japan, or Korea. To qualify for DOS funding under this program announcement, a proposal must demonstrate that the applicant and its partners are willing/

able to collectively contribute significant resources to the proposed program that are *at least equal to the level of resources sought from DOS*. Grants will be awarded in the range of \$200,000–\$2,000,000 (USD).
