

comments, within 120 days of publication of these preliminary results, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of the final results of this administrative review. If these preliminary results are adopted in our final results of review, we will direct CBP to assess the resulting rate against the entered customs value for the subject merchandise on each importer's/customer's entries during the POR.

Cash-Deposit Requirements

The following cash-deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Myland and Buxin will be the rate listed in the final results of review; (2) for previously investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) the cash deposit rate for all other PRC exporters will be 75.50 percent; and (4) the cash deposit rate for all non-PRC exporters will be the rate applicable to the PRC exporter that supplied that exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) (2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these preliminary results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b).

Dated: April 23, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.

Polyethylene Retail Carrier Bags from the People's Republic of China; Notice of Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: April 27, 2007.

FOR FURTHER INFORMATION CONTACT: Zev Primor and Maisha Cryor, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4114 and (202) 482-5831, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 29, 2006, the Department of Commerce ("Department") published a notice of initiation of administrative review of the antidumping duty order on polyethylene retail carrier bags from the People's Republic of China ("PRC"). See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 71 FR 57465 (September 29, 2006). The period of review is August 1, 2005, through July 31, 2006. The preliminary results of this administrative review are currently due no later than May 3, 2007.

Extension of Time Limit for Preliminary Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), the Department shall make a preliminary determination in an administrative review of an antidumping order within 245 days after the last day of the anniversary month of the date of publication of the order. Section 751(a)(3)(A) of the Act further provides, however, that the Department may extend the 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period. The Department determines that it is not practicable to

complete this administrative review within the time limits mandated by section 751(a)(3)(A) of the Act because this review involves examining a number of complex issues related to sales information and to factors of production. The Department requires additional time to issue and analyze supplemental questionnaires regarding these issues. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completing the preliminary results of this administrative review until August 31, 2007, which is 365 days from the last day of the anniversary month of the date of publication of the order. The deadline for the final results of the review continues to be 120 days after the publication of the preliminary results.

This extension notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: April 23, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.
