AGENCY: Public Building Service,
General Services Administration.

ACTION: Notice of availability.

SUMMARY: In accordance with the
National Environmental Policy Act of
1969, and the President's Council on
Environmental Quality Regulations (40
CFR parts 1500-1508), as implemented
by General Services Administration
(GSA) Order PBS P 1095.4D, GSA

Statement (DEIS) for the Denver Federal

SUPPLEMENTARY INFORMATION: Since
1997, when the last Master Site Plan
was completed, potential development
and redevelopment opportunities and
the changing real estate market have
been identified. The analysis in EIS
includes a review of all existing
buildings on site, all existing and
planned infrastructure systems and
improvements, necessary capital
investment needs and all vacant land. A
primary focus is on short and long term
planning for Federal agency needs and
requirements. A No Action alternative is
studied that to evaluate the
consequences of not implementing an
action alternative. This alternative is
included to provide a basis for
comparison to the action alternatives
described above as required under
NEPA regulations (40 CFR 1002.14(d)).

The EIS addressed the potential
impacts of three alternatives considered:
The Federal Quad Alternative is defined
by the use of a central "Quad" located
in the center of the site. A mixed use
center would be encouraged in this area
with enhanced streetscape woven into
the fabric of the surrounding
neighborhoods and commercial districts
with road and land use connections; the
Federal Mall Alternative creates a linear
"Federal Mall" which would enhance
the aesthetics of the site to create a
grand entry and pedestrian access from
the western boundary into the heart of
the central core to an which open space
square would serve as an amenity to the
Mall district as well as other
surrounding uses; and No-Action
Alternative (currently planned upgrades
would continue).

GSA invites individuals,
organizations and agencies to submit
comments concerning the scope of the
EIS. The public review period starts

with the publication of this notice in the
Federal Register and will continue for
forty five (45) days from the date of this
notice. GSA will consider all comments
received or postmarked by June 11,
2007. The GSA will consider and
respond to comments received on the
Draft EIS in preparing the Final EIS.

GSA expects to issue a Final EIS by
fall, 2007 at which time its availability
will be announced in the **Federal
Register** and local media. A "No
Action" comment period will
commence upon the publication of the
Record of Decision.

Public meetings will be conducted to
provide the public with an opportunity
to present comments, ask questions, and
discuss concerns regarding the DEIS
with GSA representatives. GSA will
host public meetings on Wednesday,
May 16 from 11 a.m. to 1 p.m. at
Building 41, Denver Federal Center,
Lakewood, CO, and again on May 16
from 4 p.m. to 8 p.m. at Creighton
Middle School, Lakewood, CO, and on
