

**SUPPLEMENTARY INFORMATION:** Pursuant to Section 11 of the Indian Gaming Regulatory Act of 1988 (IGRA), Public Law 100-497, 25 U.S.C. 2710, the Secretary of the Interior shall publish in the **Federal Register** notice of the approved Tribal-State compacts for the purpose of engaging in Class III gaming activities on Indian lands. This Compact effective today authorizes Class III gaming, sets limits for the size and scope of gaming for the Spokane Tribe and clarifies the state's regulatory role.

Dated: April 19, 2007.

#### Notice of Availability of a Final Environmental Impact Statement for the General Management Plan, Castillo de San Marcos National Monument

**SUMMARY:** The National Park Service (NPS) announces the availability of the Final Environmental Impact Statement (FEIS) for the General Management Plan (GMP) for Castillo de San Marcos National Monument, Florida. This document will be available for public review pursuant to Section 102(2)(C) of the National Environmental Policy Act of 1969 and NPS policy in Director's Order Number 2 (Park Planning) and Director's Order Number 12 (Conservation Planning, Environmental Impact Analysis, and Decision-making). The authority for publishing this notice is 40 CFR 1506.6.

The document provides a framework for management, use, and development of the historic site by the NPS for the next 15 to 20 years. The document describes four management alternatives, including a No-Action Alternative and the NPS's preferred alternative. The anticipated environmental impacts of those alternatives are also analyzed. Public comment on the draft plan was considered when preparing the final document.

**DATES:** The NPS will execute a Record of Decision no sooner than 30 days following the Environmental Protection Agency's notice in the **Federal Register**.

**ADDRESSES:** Copies of the FEIS and GMP are available from the Superintendent, Castillo de San Marcos National Monument, 1 South Castillo Drive, St. Augustine, Florida 32084; telephone: 904-829-6506. An electronic copy of the document is available on the

Internet at <http://parkplanning.nps.gov/>.

#### FOR FURTHER INFORMATION CONTACT:

Contact the Superintendent, Castillo de San Marcos National Monument, at the address and telephone number shown above or David Libman at 404-562-3124, extension 685.

The responsible official for the FEIS is Patricia A. Hooks, Regional Director, Southeast Region, National Park Service, 100 Alabama Street SW, 1924 Building, Atlanta, Georgia 30303.

Dated: March 9, 2007.

BILLING CODE 4312-51-P

**DEPARTMENT OF JUSTICE****Antitrust Division****United States v. Amsted Industries, Inc.; Proposed Final Judgment and Competitive Impact Statement**

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act ("APPA"), 15 U.S.C. 16(b)-(h), that a proposed Final Judgment, Hold Separate Stipulation and Order, and Competitive Impact Statement have been filed with the United States District Court for the District of Columbia in *United States of America v. Amsted Industries, Inc.*, Civil Action No. 1:07-cv-00710. On April 18, 2007, the United States filed a Complaint alleging that the acquisition by Amsted Industries ("Amsted") of the end-of-car cushioning assets ("EOCCs") of FM Industries ("FMI"), a subsidiary of Progress Rail Services Holding Corporation, violated Section 7 of the Clayton Act, 15 U.S.C. 18, and Section 2 of the Sherman Act, 15 U.S.C. 2. The proposed Final Judgment, filed at the same time as the Complaint, requires Amsted to divest without compensation all FMI intangible assets and all FMI tools and patterns used for imparting the shape, form, or finish to EOCCs. The proposed Final Judgment also requires Amsted to license royalty free and in perpetuity certain Amsted intangible assets and to make available all Amsted tools and patterns used for imparting the shape, form, or finish to EOCCs. Finally, the proposed Final Judgment requires Amsted to release market participants from restrictive covenants, as well as to notify the United States of future transactions.

Copies of the Complaint, proposed Final Judgment, and Competitive Impact Statement are available for inspection at the U.S. Department of Justice, Antitrust Division, Antitrust Documents Group, 325 7th Street, NW., Room 215, Washington, DC 20530 (telephone: 202-514-2481), on the Department of Justice's Web site at <http://www.usdoj.gov/atr>, and at the Clerk Office of the Clerk of the United States District Court for the District of Columbia. Copies of these materials may be obtained from the Antitrust Division upon request and payment of the copying fee set by Department of Justice regulations.

Public comment is invited within 60 days of the date of this notice. Such comments, and responses thereto, will be published in the **Federal Register** and filed with the Court. Comments should be directed to Maribeth Petrizzi, Chief, Litigation II, Antitrust Division,

Department of Justice, Washington, DC 20530, (telephone: 202-307-0924).

**J. Robert Kramer II,**

*Director of Operations, Antitrust Division.*

**United States District Court for the District of Columbia**

United States of America, Department of Justice, Antitrust Division, 1401 H Street, NW., Suite 3000, Washington, DC 20530, Plaintiff, v. Amsted Industries, Inc., Two Prudential Plaza, 180 North Stetson Street, Suite 1800, Chicago, IL 60601, Defendant. Case No. 1:07-CV-00710. Judge: Bates, John D. Deck Type: Antitrust. Date Stamp: April 18, 2007.

**Complaint**

The United States of America, acting under the direction of the Attorney General of the United States, brings this civil antitrust action to obtain equitable and other relief against defendant Amsted Industries, Inc. ("Amsted") to remedy the harm to competition caused by Amsted's acquisition of FM Industries ("FMI"). The United States alleges as follows:

**I. Nature of Action**

1. Prior to Amsted's acquisition of FMI on December 1, 2005, the two firms vigorously competed with each other to sell new and reconditioned end-of-car cushioning units ("IEOCCs") to railroads throughout the United States.

2. Amsted's acquisition of FMI has reduced the number of new EOCC suppliers from two to one, resulting in a merger to monopoly. The transaction also has reduced the number of reconditioned EOCC suppliers from three to two. Amsted's acquisition of FMI consolidated 90 percent of all EOCC sales in the United States.

3. The transaction has substantially lessened competition in the design, manufacture, and sale of new and reconditioned EOCCs and has created a monopoly in the design, manufacture, and sale of new EOCCs. As a result, prices for new and reconditioned EOCCs have increased and likely will continue to increase, the quality of EOCCs likely will decline, innovation relating to EOCCs likely will decline, and services currently offered in the EOCC markets have become and will continue to be less favorable to railroad customers. The United States, through this suit, asks the court to declare the defendant's conduct illegal and to restore the benefits of competition that were lost as a result of the transaction.

**II. Jurisdiction and Venue**

4. The United States brings this action against defendant Amsted under Section 15 of the Clayton Act, 15 U.S.C. 25, as
