#### Avista Energy, Inc.; Notice of Abbreviated Application for a Limited Jurisdiction Certificate of Public Convenience and Necessity

April 26, 2007.

On April 19, 2007, Avista Energy, Inc. (Avista Energy) filed an abbreviated application pursuant to section 7(c) of the Natural Gas Act (NGA), and part 157 of the Commission's Rules and Regulations, requesting a limited jurisdiction certificate of public convenience and necessity authorizing the temporary assignment of rights to use expansion capacity at the Jackson Prairie Storage Project to Coral Energy Resources, L.P., as part of a Purchase and Sale Agreement that will result in the sale of substantially all of Avista

Energy's operating assets to Coral Energy Resources, L.P., and its affiliates. Avista Energy also requests pre-granted abandonment at the conclusion of the limited term assignment.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

#### Dominion Transmission, Inc.; Notice of Proposed Changes in FERC Gas Tariff

April 26, 2007.

Take notice that on April 23, 2007, Dominion Transmission, Inc. (DTI) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, Third Revised Sheet No. 1162, to become effective May 24, 2007.

DTI states that the purpose of the proposed revisions is to clarify that, when DTI provides service to its customers on off-system transportation and/or storage capacity and DTI's contract with the third-party service provider contains limited or no extension rights, a corresponding limitation may apply in DTI's service agreement with its customer.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. #### MIGC, Inc.; Notice of Request Under Blanket Authorization

April 26, 2007.

Take notice that on April 20, 2007, MIGC, Inc. (MIGC), 1099 18th Street, Suite 1200, Denver, Colorado 80202, filed in Docket No. CP07-178-000, an application pursuant to sections 157.205, 157.208, and 157.210 of the Commission's regulations under the Natural Gas Act (NGA) as amended, to construct and operate a new compressor station in Converse County, Wyoming, under MIGC's blanket certificate issued in Docket No. CP82-409-000, all as more fully set forth in the application which is on file with the Commission and open to the public for inspection.

MIGC proposes to construct the Python compressor station which will consist of one modular CAT 3608 driver with an Ariel JGD-4 single stage 2370 horsepower (HP) compressor unit and appurtenant facilities. The proposed Python compressor station would provide MIGC's customers with access to additional natural gas supplies in the Powder River basin. Anadarko Energy Services, Inc. (AES), a wholly-owned subsidiary of Anadarko Petroleum Corporation (APC), has requested MIGC to expand its mainline system capacity to handle additional natural gas volumes. MIGC states that its mainline system is currently capable of transporting 130,000 Mcf per day (Mcf/d) on a sustainable peak day firm basis to the southern end of its system. MIGC
