*Background:* The Commission issued an earlier version of this notice on May 3, 2007, and sent copies to parties believed to have an interest in the matter. The notice requested that parties with an interest in the matter file any written submissions by May 16, 2007. Annex 300-B, Chapter 4, and Annex 401 of the NAFTA contain the rules of origin for textiles and apparel for application of the tariff provisions of the NAFTA. These rules are set forth for the United States in general note 12 to the Harmonized Tariff Schedule (HTS). According to the USTR's letter, U.S. negotiators have recently reached agreements in principle with representatives of the Governments of Canada and Mexico concerning proposed modifications to the NAFTA rules of origin for certain sanitary articles and nonwoven wipes, and the Government of Canada only concerning a proposed modification to the NAFTA rule of origin for certain chenille fabrics. If implemented, the proposed rules changes would apply only to U.S. imports from and U.S. exports to the NAFTA parties in agreement with the rules changes. Section 202(q) of the North American Free Trade Agreement Implementation Act (the Act) authorizes the President, subject to the consultation and layover requirements of section 103 of the Act, to proclaim such modifications to the rules of origin as are necessary to implement an agreement with one or more of the NAFTA countries pursuant to paragraph 2 of section 7 of Annex 300-B of the Agreement. One of the requirements of section 103 of the Act is that the President obtain advice regarding the proposed actions from the Commission.

The USTR requested that the Commission provide advice on the probable effect of the proposed modifications of the NAFTA rules of origin for the specified articles on U.S. trade under the NAFTA, on total U.S.
