The proposed rule change is consistent with Section 17A of the Act because it promotes the safeguarding of securities and funds and reduces costs to persons facilitating transactions by and on behalf of investors by providing Clearing Members that are a part of a CSE with the opportunity to reduce their applicable capital requirements. In addition, the proposed rule change would clarify the accounting treatment of obligations between OCC and each of its Clearing Members. The proposed rule change is not inconsistent with the rules of OCC, including any rules proposed to be amended.
