[A-401-806]

#### Stainless Steel Wire Rod From Sweden: Notice of Extension of Time Limit for 2005-2006 Administration Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** May 29, 2007.

**FOR FURTHER INFORMATION CONTACT:** Brian Smith or Gemal Brangman, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-1766 or (202) 482-3773, respectively.

#### Background

On October 31, 2006, the Department published in the *Federal Register* a notice of initiation of administrative review of the antidumping duty order on stainless steel wire rod from Sweden, covering the period September 1, 2005, through August 31, 2006. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 71 FR 63752 (October 31, 2006). The preliminary results for this administrative review are currently due no later than June 4, 2007.<sup>1</sup>

<sup>1</sup> June 4, 2007, is the next business day after 245 days from the last day of the anniversary month of the order.

#### Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department of Commerce ("Department") to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

#### Extension of Time Limits for Preliminary Results

The Department requires additional time to review and analyze the sales and cost information submitted by the respondent in this administrative review and, if necessary, issue an additional supplemental questionnaire. Thus, it is not practicable to complete this review within the original time limit. Therefore, the Department is partially extending the time limit for completion of the preliminary results by 90 days to 335 days, in accordance with section 751(a)(3)(A) of the Act. The preliminary results are now due no later than August 31, 2007. The final results continue to be due 120 days after publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: May 21, 2007.

**Stephen J. Claeys,**

*Deputy Assistant Secretary for Import Administration.*

### International Trade Administration

#### Organizing "Green Manufacturing Day" for U.S. Businesses; Comment Request

**ACTION:** Notice and request for comments.

**SUMMARY:** The International Trade Administration proposes to organize a "Green Manufacturing Day", aimed at enhancing public-private interaction in the field of sustainable manufacturing. This notice seeks public input on areas of interest for discussion at the proposed "Green Manufacturing Day".

**DATES:** Submit comments no later than 30 days after the date of this notice.

**ADDRESSES:** Address all comments concerning this notice and requests to participate to William McElnea, U.S. Department of Commerce, Room 2213, 1401 Constitution Ave. NW., Washington, DC 20230 (or via the Internet at [william.mcelnea@mail.doc.gov](mailto:william.mcelnea@mail.doc.gov)).

**FOR FURTHER INFORMATION CONTACT:** William McElnea, 202-482-2831.

#### SUPPLEMENTARY INFORMATION:

Sustainable manufacturing has garnered increasing attention among the manufacturing industry as firms have recognized its cost-effectiveness and profitability. For the purposes of this notice, "sustainable manufacturing" is defined as the creation of manufactured products that use processes that are non-polluting, conserve energy and natural resources, are economically sound, and safe for employees, communities, and consumers. At this early stage in sustainable manufacturing's development, increased public-private interaction can be an effective means for government and industry to (a) identify the opportunities and challenges faced by manufacturers in pursuing sustainable production practices and (b) promote capacity-building among individual firms and industry sectors as a whole.

The purpose of the proposed "Green Manufacturing Day", tentatively scheduled for September 2007, will be to: (1) Disseminate and promote best business practices in sustainable manufacturing, (2) assist small-and-medium-sized enterprises in identifying and implementing practical sustainable manufacturing solutions, (3) provide information on relevant emerging technologies, (4) educate participants on federal government efforts to promote sustainable manufacturing, and (5) provide information on international sustainable manufacturing initiatives, projects, and opportunities. The event will include presenters/speakers from a variety of stakeholder groups (*i.e.* private sector, government and academia) on a variety of topics relating to sustainable manufacturing.

Topic areas covered may include, but are not limited to, industrial recycling, natural resource conservation, water supply and waste-water treatment, solid-waste management, hazardous waste management, environmental assessment, environmental accounting, lean and clean manufacturing, regulatory compliance, renewable energy, remanufacturing, refurbishing/reconditioning, environmental technology research and development, and air pollution control.

In preparation for the proposed event, the U.S. Department of Commerce is requesting feedback from the public on the following:

- Topic areas of interest to U.S. businesses with regard to sustainable manufacturing (responses may reference those topic areas mentioned above or other related topic areas not mentioned);
- The types of information U.S. businesses seek in these topic areas (e.g. best and/or most cost-effective practices, government policies/programs, new technologies, international efforts/opportunities, metrics used for evaluation, etc.) Specific feedback on the following will also be welcome:
  - Sustainable manufacturing implementation issues affecting small and medium-sized enterprises;
  - Emerging technologies for clean manufacturing that are technologically-proven, but are not yet widely recognized or used;
  - Federal government practices or voluntary programs that have been particularly useful in promoting clean or sustainable manufacturing or business practices.

Dated: May 22, 2007.

## DEPARTMENT OF DEFENSE

### Office of the Secretary

#### Establishment of Federal Advisory Committee

**AGENCY:** DoD.

**ACTION:** Notice.

**SUMMARY:** Under the provisions of the Federal Advisory Committee Act of 1072, (5 U.S.C. Appendix, as amended), the sunshine in the Government Act of 1976 (5 U.S.C. 552b, as amended), and 41 CFR 102-3.65, The Department of Defense gives notice that it intends to establish the Department of Defense Audit Advisory Committee, as a discretionary Federal advisory committee.

This committee will provide the Secretary of Defense, through the Under Secretary of Defense (Comptroller)/Chief Financial Officer, independent advice on DoD's financial management, including the financial reporting process, systems of internal controls, audit process and processes for monitoring compliance with applicable laws and regulations. In accordance with DoD policy and procedures, the Under Secretary of Defense (Comptroller)/Chief Financial Officer is authorized to act upon the advice emanating from this advisory committee.

The Department of Defense Audit Advisory Committee shall be composed of no more than five members who are eminent authorities in the fields of financial management and audit. Committee members appointed by the Secretary of Defense, who are not full-time Federal officers or employees, shall serve as Special Government Employees under the authority of 5 U.S.C. 3109.

The Department of Defense Audit Advisory Committee, in keeping with DoD policy to make every effort to achieve a balanced membership, includes a cross section of experts directly affected, interested and qualified to advise on financial and audit matters. Committee members shall be appointed on an annual basis by the Secretary of Defense, and with the exception of travel and per diem for official travel, shall serve without compensation. The Under Secretary of Defense (Comptroller)/Chief Financial Officer shall select the committee's chairperson from the committee's membership at large.

The Department of Defense Audit Advisory Committee shall meet at the call of the committee's Designated Federal Officer, in consultation with the Chairperson, and the estimated number

of committee meetings if four per year. The Designated Federal Officer shall be a full-time or permanent part-time DoD employee, and shall be appointed in accordance with established DoD policies and procedures. The Designated Federal Officer or duly appointed Alternate Designated Federal Officer shall attend all committee meetings and subcommittee meetings.

The Department of Defense Audit Advisory Committee shall be authorized to establish subcommittees, as necessary and consistent with its mission, and these subcommittees or working groups shall operate under the provisions of the Federal Advisory Committee Act of 1972 (5 U.S.C., Appendix, as amended), the Sunshine in the Government Act of 1976 (5 U.S.C. 552b, as amended), and other appropriate Federal regulations.

Such committees or workgroups shall not work independently of the chartered committee, and shall report all their recommendations and advice to the Department of Defense Audit Advisory Committee for full deliberation and discussion. Subcommittees or workgroups have no authority to make decisions on behalf of the chartered committee nor can they report directly to the Department of Defense or any Federal officers or employees who are not members of the Department of Defense Audit Advisory Committee.

**FOR FURTHER INFORMATION CONTACT:** Frank Wilson, DoD Committee Management Officer, 703-601-2554.
