[Project No. 459-173]

#### Union Electric Company dba AmerenUE; Notice Rejecting Filing

May 25, 2007.

On April 20, 2007, the Commission issued an order granting an application filed by AmerenUE, licensee for the Osage Hydroelectric Project No. 459, for non-project use of project lands.<sup>1</sup> On May 21, 2007, Duncan's Point Lot Owners Association, Inc.; Duncan's Point Homeowners Association, Inc.; and Nancy A. Brunson and Pearl Hankins, individually (Duncan's Point Owners) requested rehearing of the Commission's decision.

The two page request for rehearing states without explanation that the Commission's order has not met the most minimal requirements of procedural due process.<sup>2</sup>

<sup>1</sup> 119 FERC ¶ 61,073 (2007).

<sup>2</sup> Duncan's Point Owners request a 30-day extension to address the issues. Because the 30-day

Section 313(a) of the Federal Power Act, 16 U.S.C. 8251 (2000), requires an aggrieved party<sup>3</sup> to file its request for rehearing within 30 days after the issuance of the Commission order and to set forth specifically the ground or grounds upon which such request is based. Duncan's Point Owners' rehearing request raises no specific allegations of error with respect to the Commission's order. Therefore, it must be rejected.<sup>4</sup>

This notice constitutes final agency action. Request for rehearing of this rejection notice must be filed within 30 days of the date of issuance of this notice, pursuant to 18 CFR 385.713 (2006).

[Docket No. CP06-422-001]

#### Cameron LNG, LLC; Notice of Filing

May 25, 2007.

Take notice that on February 15, 2007, Cameron LNG, LLC (Cameron LNG) tendered for filing a supplemental request for a modification of the Commission's January 18, 2007 Order granting authorization under section 3 of the Natural Gas Act (NGA) for Cameron LNG to construct its Terminal Expansion Project. Cameron LNG requests authority to increase the send-out rate of its LNG terminal prior to the construction of any Terminal Expansion Project facilities, rather than during the construction of those facilities as authorized by the January 18, 2007 Order.

rehearing deadline is statutorily-based, we cannot grant the requested extension.

<sup>3</sup> Juanita Brackens and Helen Davis were also listed in the caption of the request for rehearing. Because they did not file motions to intervene, they are not parties to the proceeding. Therefore, to the extent the request for rehearing was filed on behalf of Ms. Brackens and Ms. Davis, it must be rejected due to a lack of party status.

<sup>4</sup> In addition, the pleading as filed is deficient because it failed to include a Statement of Issues, as required by Revision of Rules of Practice and Procedure Regarding Issue Identification, Order No. 663, 70 FR 55,723 (September 23, 2005), FERC Statutes and Regulations ¶ 31,193 (2005) as amended by Order 663-A, effective March 23, 2006, to limit its applicability to rehearing requests. Revision of Rules of Practice and Procedure Regarding Issue Identification, Order No. 663-A, 71 FR 14,640 (March 23, 2006), FERC Statutes and Regulations ¶ 31,211 (2006) (codified at 18 CFR 385.203(a)(7) and 385.713(c)(2) (2006)).

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Anyone filing a protest must serve a copy of that document on all the parties to the proceeding.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.
