SUPPLEMENTARY INFORMATION: This notice identifies two existing information collection requirements PHMSA is submitting to OMB for renewal and extension. These collection requirements are in 49 CFR parts 192, 193, 195 and 199 of the pipeline safety regulations. PHMSA has revised the burden estimates, where appropriate, to reflect current reporting levels or

adjustments based on changes made since the last OMB approvals. PHMSA is now requesting that OMB grant a three-year term of approval for each requirement.

Pursuant to 44 U.S.C. 3506(c)(2)(A) of the PRA, PHMSA invites comments on whether the renewal and extension of the existing information collection requirements are necessary for the proper performance of the functions of DOT. Information collection includes all work related to preparing and disseminating information related to this information collection

requirements, including completing paperwork, gathering information, and conducting telephone calls. Comments may include (1) whether the information will have practical utility; (2) the accuracy of DOT's estimate of the burden of the proposed information collections; (3) ways to enhance the quality, utility, and clarity of the information collection; and (4) ways to minimize the burden of the information collection requirements on respondents, including the use of automated collection techniques or other forms of information technology.

Background

The Foreign Narcotics Kingpin Designation Act ("Kingpin Act") became law on December 3, 1999. The Kingpin Act establishes a program targeting the activities of significant foreign narcotics traffickers and their organizations on a worldwide basis. It provides a statutory framework for the President to impose sanctions against significant foreign narcotics traffickers and their organizations on a worldwide basis, with the objective of denying their businesses and agents access to the U.S. financial system and to the benefits of trade and transactions involving U.S. companies and individuals.

The Kingpin Act blocks all property and interests in property, subject to U.S. jurisdiction, owned or controlled by significant foreign narcotics traffickers as identified by the President. In addition, the Kingpin Act blocks the property and interests in property, subject to U.S. jurisdiction, of foreign persons designated by the Secretary of Treasury, in consultation with the Attorney General, the Director of Central Intelligence, the Director of the Federal Bureau of Investigation, the Administrator of the Drug Enforcement Administration, the Secretary of Defense, the Secretary of State, and the Secretary of Homeland Security who are found to be: (1) Materially assisting in, or providing financial or technological support for or to, or providing goods or services in support of, the international narcotics trafficking activities of a person designated pursuant to the

Kingpin Act; (2) owned, controlled, or directed by, or acting for or on behalf of, a person designated pursuant to the Kingpin Act; or (3) playing a significant role in international narcotics trafficking.

On May 17, 2007, OFAC designated six additional entities and twelve additional individuals whose property and interests in property are blocked pursuant to section 805(b) of the Foreign Narcotics Kingpin Designation Act.
