DEPARTMENT OF VETERANS AFFAIRS

Pension Cost-of-Living Adjustments and Headstone or Marker Allowance Rate

AGENCY: Department of Veterans Affairs.

ACTION: Notice.

SUMMARY: As required by law, the Department of Veterans Affairs (VA) is hereby giving notice of cost-of-living adjustments (COLAs) in certain benefit rates and income limitations. These COLAs affect the pension and parents' dependency and indemnity compensation (DIC) programs, as well as the benefits VA pays to or for certain veterans' children with spina bifida or birth defects. These adjustments are based on the rise in the Consumer Price Index during the one-year period ending September 30, 2006. VA is also giving notice of the maximum amount of reimbursement that may be paid for headstones or markers purchased in lieu of Government-furnished headstones or markers in fiscal year 2007, which began on October 1, 2006.

DATES: These COLAs are effective December 1, 2006. The headstone or marker allowance rate is effective October 1, 2006.

FOR FURTHER INFORMATION CONTACT: Lyric Collier, Program Analyst, Compensation and Pension Service (212A), Veterans Benefit Administration, Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420, (202) 273-7212.

SUPPLEMENTARY INFORMATION: Under a prior version of 38 U.S.C. 2306(d), VA may provide reimbursement for the cost of non-Government headstones or markers at a rate equal to the actual cost or the average actual cost of Government-furnished headstones or markers during the fiscal year preceding the fiscal year in which the non-Government headstone or marker was purchased, whichever is less. This provision only applies to deaths that occurred before November 1, 1990.

Section 8041 of Public Law 101-508 amended 38 U.S.C. 2306(d) to eliminate the payment of a monetary allowance in lieu of VA-provided headstone or marker for deaths occurring on or after November 1, 1990. However, in a

precedent opinion (O.G.C. Prec. 17-90), VA's General Counsel held that there is no limitation period applicable to claims for benefits under the prior provisions of 38 U.S.C. 2306(d). Thus, reimbursement may still be provided under the prior version of section 2306(d) for deaths occurring before November 1, 1990.

The average actual cost of Government-furnished headstones or markers during any fiscal year is determined by dividing the sum of VA costs during that fiscal year for procurement, transportation, miscellaneous administration, inspection and support staff by the total number of headstones and markers procured by VA during that fiscal year and rounding to the nearest whole dollar amount.

The average actual cost of Government-furnished headstones or markers for fiscal year 2006 according to the above computation method was \$132. Therefore, effective October 1, 2006, the maximum rate of reimbursement for non-Government headstones or markers purchased during fiscal year 2007 is \$132.

Cost of Living Adjustments

Under the provisions of 38 U.S.C. 5312 and section 306 of Public Law 95-588, VA is required to increase the benefit rates and income limitations in the pension and parents' DIC programs by the same percentage, and effective the same date, as increases in the benefit amounts payable under title II of the Social Security Act. The increased rates and income limitations must also be published in the **Federal Register**.

The Social Security Administration announced a 3.3 percent cost-of-living increase in Social Security benefits effective December 1, 2006. Therefore, applying the same percentage and rounding up in accordance with 38 CFR 3.29, the following increased rates and income limitations for the VA pension and parents' DIC programs were effective December 1, 2006:
