Federal Emergency Management Agency

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a proposed continuing information collection. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning the FEMA Mitigation Success Story database used to document experiences of States, communities, private businesses, and homeowner's information describing successful mitigation and flood insurance practices occurring in communities nationwide.

SUPPLEMENTARY INFORMATION: Consistent with performance-based management

practices mandated by the Government Performance Results Act (GPRA), [MSOffice1]FEMA has outlined its critical functions to meet strategic goals and objectives, including the use of risk communication practices aimed at reducing the loss of life and property due to disasters. FEMA will partially fulfill these requirements by collecting and disseminating information describing successful mitigation and flood insurance practices occurring in communities nationwide. The Mitigation Success Stories database is one of several program strategies specifically addressing, strategic objective 1.4 [MSOffice2]which aims at helping individuals, local governments, States, Territories, tribal nations, and Federal agencies make good risk management decisions. The database is a tool that enables FEMA to translate hazard data into usable information for community risk management through risk communication.

Collection of Information

Title: FEMA Mitigation Success Story Database.

Type of Information Collection: Extension, without change of a currently approved collection.

OMB Number: 1660-0089.

Form Numbers: None.

Abstract: FEMA uses the information in the database to document and disseminate first-hand experiences of States, communities, private businesses, and homeowners that incorporate mitigation and flood insurance activities that are cost effective and promote strategic partnerships. By sharing information, communities and individuals can learn about available Federal programs to support the implementation of noteworthy local activities.

Affected Public: Individuals or households, business or other for-profit, not-for-profit institutions, farms, Federal Government, and State, Local or Tribal Government.

Estimated Total Annual Burden Hours:
