### Amendment of System Records Notice for the PeoplePlus

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice of an Amendment of an existing System of Records Notice for the PeoplePlus.

**SUMMARY:** Pursuant to the provisions of the Privacy Act of 1974 (5 U.S.C. 552a), the Office of Administration and Resources Management (OARM) is giving notice that it proposes to AMEND AN EXISTING SYSTEM OF RECORDS for EPA-1 PeoplePlus. The Environmental Protection Agency (EPA or Agency) is amending a Privacy Act system of records to reflect the agency's collection of employee data determined to be privacy and or personally identifiable information (PII). In previous amendments the Human Capital Management (HCM) function of PeoplePlus was always the underlying source of employee information when providing Benefits, Payroll, and Time and Labor processing. The data collected includes, but is not limited to, contents of employee information in the Official Personnel Folder (OPF) as specified in the Office of Personnel Management (OPM) Operating Manual, "The Guide to Personnel Recordkeeping," but never to this level of detail. Further, the system's name is changing from "PeoplePlus Payroll, Time and Labor Application" to "PeoplePlus" because the name included functions of PeoplePlus which changed recently with the e-Payrolls initiative. This notice does not affect any Privacy Act rights already accorded individuals who are subject of Agency
