DEPARTMENT OF JUSTICE**Notice of Lodging of Stipulation of Settlement and Judgment Under the Clean Water Act**

Notice is hereby given that on June 29, 2007, a Stipulation of Settlement and Judgment ("Stipulation") in *United States v. Icicle Seafoods, Inc. and Evening Star, Inc.*, Civil Action No. 3:06-cv-00268-JWS, was lodged with the United States District Court for the District of Alaska.

In this action the United States sought civil penalties and injunctive relief pursuant to Section 309 of the Clean Water Act, as amended ("CWA"), 33 U.S.C. 1319, for alleged violations of the National Pollutant Discharge Elimination System permit ("Permit") issued by the Environmental Protection Agency ("EPA") for discharges from the M/V *Northern Victor*, to Udagak Bay, Alaska. Defendants, Icicle Seafoods, Inc. and its wholly-owned subsidiary, Evening Star, Inc., own and operate the M/V *Northern Victor*. The Stipulation would resolve this action with a civil penalty payment of \$900,000. Defendants have conducted a removal of the inactive, underwater seafood waste pile in Udagak Bay created by the operation of the M/V *Northern Victor* prior to their acquisition of the vessel, as the Permit required. The Stipulation preserves for future resolution any claims that the United States or EPA may have vis-a-vis the waste pile to which the M/V *Northern Victor* actively discharges other than those exceedances of the 1.5-acre zone-of-deposit limitation of the Permit that occurred through June 10, 2005.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Stipulation. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O.

Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. Icicle Seafoods, Inc. and Evening Star, Inc.*, D.J. Ref. #90-5-1-1-07395/1.

The Stipulation may be examined at the offices of the Environment Division, 801 B Street, Anchorage, Alaska 99501 [Contact: Lorraine Carter (907-271-5452)], and at U.S. EPA Region 10, Office of Water, 1200 Sixth Avenue, Seattle, Washington 98101 [Contact: Margo Young (206) 553-1287]. Continental Structural Plastics, Petoskey, MI; Notice of Affirmative Determination Regarding Application for Reconsideration

By application dated June 9, 2007, a petitioner requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to workers and former workers of the subject firm. The determination was signed on May 16, 2007 and published in the **Federal Register** on May 30, 2007 (72 FR 30033).

The initial investigation resulted in a negative determination based on the finding that imports of plastic automotive parts did not contribute importantly to worker separations at the subject firm and no shift of production to a foreign source occurred.

The Department reviewed the request for reconsideration and has determined that the petitioner has provided additional information. Therefore, the Department will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed in Washington, DC, this 20th day of June, 2007.

Elliott S. Kushner,

Certifying Officer, Division of Trade Adjustment Assistance.
