[Docket No. ER07-1065-000]

Public Service Company of New Mexico; Notice of Filing

July 6, 2007.

Take notice that on June 21, 2007, Public Service Company of New Mexico (PNM), pursuant to section 205 of the Federal Power Act and Part 35 of the Commission's regulations, submits three agreements in order to provide for an additional point of interconnection between PNM's transmission facilities and those of the City of Farmington, New Mexico at Farmington's Hogback Station.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the

comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

[Docket No. CP05-388-003]

Southern Natural Gas Company; Notice of Amendment

July 10, 2007.

Take notice that on July 6, 2007, Southern Natural Gas Company (Southern), filed in Docket No. CP05-388-003, an application pursuant to section 7(c) of the Natural Gas Act (NGA) a petition to amend the June 15, 2006 Commission Order (115 FERC ¶ 61,328 (2006)) issuing Southern a certificate to construct and operate its Cypress Pipeline Project. Specifically, to support the authorized Phase II services, Southern proposes to install an electric driven compressor unit rather than a gas driven compressor unit at the previously authorized Compressor Station No. 2 in Glynn County, Georgia, all as more fully set forth in the application which is on file with the Commission and open to public inspection. The instant filing may be
