

to delete Rule 2.11 and renumbering Rule 2.12); (ii) use the Exchange's original approach of NSX Securities as an outbound router and discontinue the approach provided for in Rule 2.12 (by filing a proposed rule change to delete Rule 2.12); or (iii) file a proposed rule change to allow ETP Holders to use either NSX Securities or the approach provided for in proposed Rule 2.12 for outbound routing.

2. Statutory Basis

NSX believes the proposed rule change is consistent with Section 6(b) of the Act,¹⁰ in general, and furthers the objectives of Section 6(b)(5) of the Act,¹¹ in particular, which requires, among other things, that the rules of an exchange be designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule change does not: (1) Significantly affect the protection of investors or the public interest; (2) impose any significant burden on competition; and (3) become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹² and Rule 19b-4(f)(6) thereunder.¹³

A proposed rule change filed under 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.¹⁴ However, Rule 19b-

4(f)(6)(iii)¹⁵ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because such waiver would permit the Exchange to immediately update the effective dates for NSX Rules 2.11 and 2.12. For this reason, the Commission designates the proposed rule change to be operative upon filing with the Commission.¹⁶

At any time within 60 days of the filing of such proposed rule change the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. NSX has satisfied the five-day pre-filing notice requirement.

¹⁴ 17 CFR 240.19b-4(f)(6)(iii). In addition, Rule 19b-4(f)(6)(iii) requires that a self-regulatory organization submit to the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the

proposal as one establishing or changing a due, fee, or other charge imposed by the NYSE under Section 19(b)(3)(A)(ii) of the Act,³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The NYSE proposes to charge its member organizations a fee of \$0.0025 per share in equity transactions and \$0.0030 per share in transactions in exchange traded fund ("ETF") securities where those orders are executed in another market on the Exchange's behalf by Archipelago Securities LLC ("Arca Securities") as a routing broker. The text of the proposed rule change is available on the NYSE's Web site (<http://www.nyse.com>), at the principal office of the NYSE, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the NYSE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The NYSE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to charge its member organizations a fee of \$0.0025 per share in equity transactions (the "Equity Routing Fee") and \$0.0030 per share in ETF transactions (the "ETF Routing Fee," and, together with the Equity Routing Fee, the "Routing Fees") where those orders are executed in another market on the Exchange's behalf by Arca Securities as a routing broker.

The Exchange proposes to set the Routing Fees at the same level as linkage order fees ("Linkage Order Fees") that the Exchange has been charging for transactions routed away to other markets pursuant to the "Plan for

the Purpose of Creating and Operating an Intermarket Communications Linkage" (the "Linkage Plan"). The Linkage Plan expired by its terms on June 30, 2007, and the Exchange will now route all orders it is required to send to other markets by utilizing Arca Securities as a routing broker. This filing clarifies that, once the Linkage Plan is no longer in effect, Entering Firms will continue to be charged a Routing Fee in the same amount as the predecessor Linkage Order Fee for orders routed to other markets. Arca Securities will be billed by the destination markets for orders entered on the Exchange by Entering Firms but routed to other markets for execution. The Exchange will assume responsibility for fees paid by Arca Securities to other markets in its capacity as the Exchange's Routing Broker. The Exchange proposes to bill each Entering Firm the applicable Routing Fee in order to recover these expenses.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6⁵ of the Act⁶ in general and furthers the objectives of Section 6(b)(4)⁷ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. The fee is intended to permit the Exchange to recover fees billed to Arca Securities by other markets for orders executed in other markets.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(2)⁹ thereunder because it involves a

member fee imposed by the Exchange. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–56048; File No. SR–NYSEArca–2007–62]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Extend the One Week Option Series Pilot Program

July 11, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b–4 thereunder,² notice is hereby given that on July 3, 2007, NYSE Arca, Inc. (“Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the Exchange. The Exchange has designated this proposal as non-controversial under Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b–4(f)(6) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is proposing to amend its rules to extend the One Week Option Series pilot program (“Pilot Program”) for an additional one-year period, through July 12, 2008. The text of the proposed rule change is available on the Exchange’s Web site (<http://www.nysearca.com>), at the Exchange’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On July 12, 2005, the Commission approved the Pilot Program,⁵ which allows NYSE Arca to list and trade One Week Option Series. Under the terms of the Pilot Program, the Exchange can select up to five options classes on which One Week Option Series may be opened on any One Week Option Opening Date. The Exchange is also allowed to list One Week Option Series on any option class that is selected by other securities exchanges that employ a similar Pilot Program under their respective rules.

The Pilot Program currently expires on July 12, 2007.⁶ The purpose of this proposal is to extend the Pilot Program for one year, through July 12, 2008. The Exchange believes that the Pilot Program provides investors with a flexible and valuable tool to manage risk exposure, minimize capital outlays, and be more responsive to the timing of events affecting the securities that underlie option contracts. While NYSE Arca has not listed any One Week Option Series during the Pilot Program, there has been investor interest in trading short-term options at the Chicago Board Options Exchange. In order to have the ability to respond to customer interest if warranted, the Exchange proposes the continuation of the Pilot Program at NYSE Arca.

In the original proposal to establish the Pilot Program, the Exchange stated that if it were to propose an extension or an expansion of the program, the Exchange would submit, along with any filing proposing such amendments to

the program, a Pilot Program report (“Report”). The Report would provide an analysis of the Pilot Program covering the entire period during which the Pilot Program was in effect. Since the Exchange did not have any One Week Option Series listed during the preceding year of the Pilot Program, there is no data available to compile such a report at this time. Therefore, there is no Report associated with the program included with this proposal to extend the pilot Program.

The Exchange represents that it has the necessary system capacity needed to support any additional option series listed under the Pilot Program.

2. Statutory Basis

The Exchange believes that the One Week Option Series can stimulate customer interest in options and provide a flexible and valuable tool to manage risk exposure, minimize capital outlays, and be more responsive to the timing of events affecting the securities that underlie option contracts. For these reasons, the Exchange believes the proposed rule change is consistent with the requirements of Section 6(b) of the Act⁷ in general, and furthers the objectives of Section 6(b)(5) of the Act⁸ in particular, in that it is designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts, to remove impediments to and perfect the mechanism for a free and open market and a national market system, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange believes that the proposed rule change will not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments on the proposed rule change were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has designated the proposed rule change as one that: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any
