DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

Lake Champlain Sea Lamprey Control Alternatives Workgroup

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of meeting.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), announce a meeting of the Lake Champlain Sea Lamprey Control Alternatives Workgroup (Workgroup). The Workgroup's purpose is to provide, in an advisory capacity, recommendations and advice on research and implementation of sea lamprey control techniques alternative to lampricide that are technically feasible, cost effective, and environmentally safe. The primary objective of the meeting will be to prioritize potential research initiatives that may enhance alternative sea lamprey control techniques. The meeting is open to the public.

DATES: The Workgroup will meet on Wednesday, September 12, 2007, from 5 to 8 p.m.

ADDRESSES: The meeting will be held at the Vermont Fish and Wildlife Department Dead Creek Waterfowl Refuge Headquarters, 966 Route 17 West, Addison, Vermont 05491.

FOR FURTHER INFORMATION CONTACT: Dave Tilton, Designated Federal Officer, Lake Champlain Sea Lamprey Control

Alternatives Workgroup, Lake Champlain Fish and Wildlife Resources Office, U.S. Fish and Wildlife Service, 11 Lincoln Street, Essex Junction, Vermont 05452 (U.S. mail); 802-872-0629 (telephone); or Dave.Tilton@fws.gov (electronic mail).

SUPPLEMENTARY INFORMATION: We publish this notice under section 10(a)(2) of the Federal Advisory Committee Act (5 U.S.C. App.). The Workgroup's specific responsibilities are to provide advice regarding the implementation of sea lamprey control methods alternative to lampricides, to recommend priorities for research to be conducted by cooperating organizations and demonstration projects to be developed and funded by State and Federal agencies, and to assist Federal and State agencies with the coordination of alternative sea lamprey control research to advance the state of the science in Lake Champlain and the Great Lakes.

Dated: June 15, 2007.

Richard O. Bennett,

Acting Regional Director, U.S. Fish and Wildlife Service, Hadley, Massachusetts.

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[UT-050-07-1430-EU; UTU-78474]

Notice of Intent To Amend the Mountain Valley Management Framework Plan; Utah

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Intent and Notice of Realty Action.

SUMMARY: A parcel of public land totaling 4.82 acres in Piute County, Utah is being considered for non-competitive (direct) sale under the provisions of the Federal Land Policy and Management Act of 1976 (FLPMA) at not less than the appraised fair market value. The Bureau of Land Management (BLM) proposes to amend the Mountain Valley

Management Framework Plan to identify the 4.82 acre parcel for sale.

DATES: In order to ensure consideration in the environmental analysis of the proposed plan amendment, comments must be received August 20, 2007.

ADDRESSES: Address all comments concerning this Notice to the Associate Field Office Manager, BLM Richfield Field Office, 150 East 900 North, Richfield, Utah 84701.

FOR FURTHER INFORMATION CONTACT: Nancy DeMille, Realty Specialist, at the above address or at (435) 896-1515.

SUPPLEMENTARY INFORMATION: This notice initiates scoping for the amendment of the Mountain Valley management Framework Plan (1982) as amended (MVMFP), in accordance with 43 CFR 1610.2(c). If and when the BLM State Director does or does not approve such an amendment, the public will be notified in accordance with 43 CFR 1610.5-5.

The BLM intends to amend the MVMFP because the following described public land in Piute County, Utah is being considered for non-competitive (direct) sale under the authority of section 203 of the FLPMA of 1976 (43 U.S.C. 1713):

Salt Lake Meridian, Utah

T. 27 S., R. 4 W.,
Sec. 26, Lot 53B

The area described contains 4.82 acres in Piute County. Sale of the lands described would not be in conformance with the current land use plan. The MVMFP does not identify this tract for a FLPMA sale. The proposed plan amendment would serve to identify the 4.82 acre tract for disposal consistent with the sale criteria in section 203 of the FLPMA, in order to allow for the possibility of sale of this parcel. The purpose of the proposed plan amendment, and the consideration of sale of these identified lands is to resolve an inadvertent unauthorized occupancy of the public land, and to protect existing equities in the land, in accordance with 43 CFR 2710.0-6(c)(3)(iii). Should the amendment be approved, the BLM will consider sale of the identified parcel to Audrey G. Roth, current occupant on that parcel. Following a decision to approve the proposed plan amendment, and further procedures in accordance with the FLPMA and its implementing regulations,

conveyance of the identified land would be subject to valid existing rights and encumbrances, including but not limited to, rights-of-way for roads and utilities. Conveyance of any mineral interests pursuant to section 209 of the FLPMA will be analyzed during processing of the sale, should it be proposed.

Public Comments

For a period until August 20, 2007, interested parties and the general public may submit in writing any comments concerning the proposed land use plan amendment, including notification of any encumbrances or other claims relating to the identified public land, to the Associate Field Office Manager, Richfield Field Office, at the above address. In order to ensure consideration in the environmental analysis of the proposed plan amendment, comments must be in writing and postmarked or delivered within 45 days of the initial date of publication of this notice. Comments transmitted by e-mail will not be accepted. Comments, including names and street addresses of respondents, will be available for public review at the BLM Richfield Field Office during regular business hours, except holidays. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask in your comment to withhold your personal identifying information from public review, we cannot guarantee we will be able to do so.

(Authority: 43 CFR 1610.2(c))

Wayne A. Wetzel,

Associate Field Office Manager.

BILLING CODE 4310-DQ-P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[MT010-1220-FU]

Notice of Intent To Collect Fees on Public Land in Yellowstone County, Montana Under the Federal Lands Recreation Enhancement Act

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of intent.

SUMMARY: The Bureau of Land Management (BLM)'s Billings Field Office is proposing to begin collecting fees in 2007 at the Shepherd Ah Nei

OHV Area in Yellowstone County, Montana, located in Township 3 N, Range 27 E, Section 1 and Township 3 N, Range 28 E, Section 6.

Under Section 2 (13) of the Federal Lands Recreation Enhancement Act (REA), L. 108-447, the Shepherd Ah Nei OHV Area qualifies as a site wherein visitors can be charged a "Special Recreation Permit Fee" authorized under section 3(h).

In accordance with REA, and implementing regulations at 43 CFR Part 2930, visitors participating in OHV use (e.g. ATVs, motorcycles, quads), could purchase a Special Recreation Permit (SRP) to operate their vehicle within the riding area.

Each OHV operating within the recreation area would be required to purchase and display the permit. Permits would expire on December 31 of the issue year, regardless of when the permit was purchased. Opportunity to purchase an individual SRP pass for the day would be available onsite to facilitate less frequent users. BLM provides individual special recreation permits for management of special areas as defined in 43 CFR Part 2932.11. 1-2., and in REA under section 3(h). The America The Beautiful—The National Parks and Federal Recreational Lands Pass, including the Annual, Senior, Access, and Volunteer passes would not be honored and do not apply to the SRP fee. The National Park Passports, Golden Eagle, Golden Age, and Golden Access Passports would also not be honored and do not apply to the SRP fee.

DATES: The public is encouraged to participate in the public comment period that will expire 30 days after the publication of this notice. Effective six months after the publication of this notice, the Bureau of Land Management Billings Field Office will initiate fee collection in the Shepherd Ah Nei OHV Area, unless BLM publishes a **Federal Register** notice to the contrary. The Eastern Montana Resource Advisory Council (RAC) will review consideration for the new fee at least three months prior to the proposed initiation date. Fees will be established by separate supplemental rules pursuant to 43 CFR 8365.1-6. Future adjustments in the fee amount will be made in accordance with the BLM Shepherd Ah Nei Business Plan, and after consultation with the Eastern Montana Resource Advisory Council and other public notice.

ADDRESSES: Mail: Field Manager, Bureau of Land Management, Billings Field Office, 5001 Southgate Drive, Billings, Montana 59101.

FOR FURTHER INFORMATION CONTACT:

James M. Sparks, Acting Field Manager, Billings Field Office, 5001 Southgate Drive, Billings, Montana 59101.

SUPPLEMENTARY INFORMATION:

The Shepherd Ah Nei OHV Area is a popular OHV recreation area offering significant opportunities for outdoor recreation and has received substantial Federal investment. The BLM's commitment is to find the proper balance between public use and resource protection. It is the BLM's policy to collect fees at all specialized recreation sites, or where the BLM provides facilities, equipment or services, at federal expense, in connection with outdoor use. In an effort to meet increasing demands for services and maintenance of existing facilities, routes and trails, the BLM would implement a fee program for the Shepherd Ah Nei OHV Area. BLM's mission for the Shepherd Ah Nei OHV Fee Collection Project (Project) is to ensure that funding is available to maintain existing facilities and recreational opportunities, to provide for law enforcement presence, to develop additional services, and to protect resources. This mission entails communication with those who will be most directly affected, for example, recreationists, other recreation providers, neighbors, as well as those who will have a stake in solving concerns that may arise throughout the life of the Project, including elected officials, and other agencies.

In January 1999, the BLM and the U.S. Forest Service (FS) initiated the Off-Highway Vehicle Environmental Impact Statement and Proposed Plan Amendment for Montana, North Dakota, and South Dakota (OHV EIS). This EIS considered various ways to minimize the potential for resource damage from cross-country OHV use. The BLM signed a record of decision (ROD) for this EIS and Plan Amendment in June 2003. In December 2004, the REA was signed into law. The REA provides authority for 10 years for the Secretaries of the Interior and Agriculture to establish, modify, charge, and collect recreation fees for use of some Federal recreation lands and waters, and contains specific provisions addressing public involvement in the establishment of recreation fees, including a requirement that Recreation Resource Advisory Committees or Councils have the opportunity to make recommendations regarding establishment of such fees. The REA also directs the Secretaries of the Interior and Agriculture to publish advance notice in the **Federal Register**
