SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Assistance, Washington, DC 20549-0213.

Existing Collection; New OMB Control No.: Rule 607; SEC File No. 270-568; OMB Control No. 3235-xxxx.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this collection of information to the Office of Management and Budget ("OMB") for approval.

Rule 607 under Regulation E (17 CFR 230.607) entitled, "Sales material to be filed," requires sales material used in connection with securities offerings under Regulation E (17 CFR 230.601 to 610a) to be filed with the Commission at least five days (excluding weekends

and holidays) prior to its use.¹ Regulation E allows the exemption of securities issued by a small business investment company ("SBIC") which is registered under the Investment Company Act of 1940 ("Investment Company Act") (15 U.S.C. 80a-1 *et seq.*) or a closed-end investment company that has elected to be regulated as a business development company ("BDC") under the Investment Company Act from registration under the Securities Act of 1933 ("Securities Act") (15 U.S.C. 77a *et seq.*), so long as the aggregate offering price of all securities of the issuer that may be sold within a 12-month period does not exceed \$5,000,000 and certain other conditions are met. Commission staff reviews sales material filed under rule 607 for materially misleading statements and omissions. The requirements of rule 607 are designed for investor protection.

Respondents to this collection of information include SBICs and BDCs making an offering of securities pursuant to Regulation E. Each respondent's reporting burden under rule 607 relates to the burden associated with filing its sales material electronically. The burden of filing electronically, however, is negligible and there have been no filings made under this rule, so this collection of information does not impose any burden on the industry. The estimate of average burden hours is made solely for purposes of the Paperwork Reduction Act and is not derived from a quantitative, comprehensive, or even representative survey or study of the burdens associated with Commission rules and forms.

The requirements of this collection of information are mandatory. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to

Form S-6; SEC File No. 270-181; OMB Control No. 3235-0184.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

The title for the collection of information is "Form S-6 (17 CFR 239.16), for Registration under the Securities Act of 1933 of Securities of Unit Investment Trusts Registered on Form N-8B-2 (17 CFR 274.13)." Unit investment trusts offering their securities to the public are required by two separate statutes to file registration statements with the Commission. They are required to register their securities under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) ("Securities Act"), and to register as investment companies under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("Investment Company Act").

Form S-6 is used for registration under the Securities Act of the securities of any unit investment trust that is registered under the Investment

Company Act on Form N-8B-2.¹ A separate registration statement under the Securities Act must be filed for each series of units issued by the trust. Form S-6 consists of, among other things, a prospectus, certain written consents, an undertaking to file supplementary information, and certain exhibits containing financial and other information required in the registration statement but not required to appear in the prospectus.

Section 10(a)(3) of the Securities Act (15 U.S.C. 77j(a)(3)) provides, in pertinent part, that when a prospectus is used more than nine months after the effective date of the registration statement, the information contained therein shall be as of a date not more than sixteen months prior to such use. As a result, most unit investment trusts that are registered under the Investment Company Act on Form N-8B-2 update their registration statements on Form S-6 on an annual basis so that their sponsors may continue to maintain a secondary market in the units.

The purpose of the registration statement on Form S-6 is to provide disclosure of financial and other information that investors may use to make informed decisions regarding the merits of the securities offered for sale. To that end, unit investment trusts that are registered under the Investment Company Act on Form N-8B-2 must furnish to investors a prospectus containing pertinent information set forth in the registration statement. The Commission reviews registration statements filed on Form S-6 to ensure adequate disclosure is made to investors.

The Commission estimates that each year unit investment trusts file approximately 1,353 Forms S-6. It is estimated that preparing Form S-6 requires a unit investment trust to spend approximately 35 hours so that the total burden of preparing Form S-6 for all affected unit investment trusts is 47,355 hours. Estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even a representative survey or study of

the costs of Commission rules and forms.

The collection of information on Form S-6 is mandatory. The information provided on Form S-6 is not kept confidential. An Agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to R. Corey Booth, Director/Chief Information Officer, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, Virginia 22312; or send an e-mail to: PRA_Mailbox@sec.gov.

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Assistance, Washington, DC 20549-0213.

Existing Collection; New OMB Control No.: Rule 0-4; SEC File No. 270-569; OMB Control No. 3235-xxxx.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this collection of information to the Office of Management and Budget ("OMB") for approval.

Rule 0-4 (17 CFR 275.0-4) under the Investment Advisers Act of 1940 ("Act" or "Advisers Act") (15 U.S.C. 80b-1 *et seq.*) entitled "General Requirements of Papers and Applications," prescribes general instructions for filing an application seeking exemptive relief with the Commission. Rule 0-4 currently requires that every application for an order for which a form is not specifically prescribed and which is executed by a corporation, partnership or other company and filed with the Commission contain a statement of the applicable provisions of the articles of incorporation, bylaws or similar documents, relating to the right of the person signing and filing such application to take such action on behalf of the applicant, and a statement that all such requirements have been complied with and that the person signing and filing the application is fully authorized to do so. If such authorization is dependent on resolutions of stockholders, directors, or other bodies, such resolutions must be attached as an exhibit to or quoted in the application. Any amendment to the application must contain a similar statement as to the applicability of the original statement of authorization. When any application or amendment is signed by an agent or attorney, rule 0-4 requires that the power of attorney evidencing his authority to sign shall state the basis for the agent's authority and shall be filed with the Commission. Every application subject to rule 0-4 must be verified by the person executing the application by providing a notarized signature in substantially the form specified in the rule. Each application subject to rule 0-4 must state the reasons why the applicant is deemed to be entitled to the action requested with a reference to the provisions of the Act and rules thereunder, the name and address of each applicant, and the name and address of any person to whom any questions regarding the application should be directed. Rule 0-4 requires that a proposed notice of the proceeding initiated by the filing of the application accompany each application as an exhibit and, if necessary, be modified to reflect any amendment to the application.

The requirements of rule 0-4 are designed to provide Commission staff with the necessary information to assess whether granting the orders of exemption are necessary and appropriate in the public interest and consistent with the protection of investors and the intended purposes of the Act.

Applicants for orders under the Advisers Act can include registered

¹ Form N-8B-2 is the form used by unit investment trusts to register as investment companies under the Investment Company Act (except for unit investment trusts that are insurance company separate accounts issuing variable annuity or variable life insurance contracts, which instead register on Form N-4 and Form N-6, respectively). The form requires that certain material information about the trust, its sponsor, its trustees, and its operation be disclosed. The registration on Form N-8B-2 is a one-time filing that applies to the first series of the unit investment trust as well as any subsequent series that is issued by the sponsor.
