2. Each Fund will disclose in its prospectus the existence, substance and effect of any order granted pursuant to the application. In addition, each Fund will hold itself out to the public as employing the management structure described in the application. The prospectus will prominently disclose that the Manager has the ultimate responsibility (subject to oversight by the Board) to oversee Sub-Advisers and to recommend their hiring, termination, and replacement.

3. Within 90 days of the hiring of a new Sub-Adviser for any Fund, shareholders of the affected Fund will be furnished all information about the new Sub-Adviser that would be included in a proxy statement. To meet this condition, each Fund will provide shareholders with an information statement meeting the requirements of Regulation 14C, Schedule 14C and Item 22 of Schedule 14A under the Securities Exchange Act of 1934 within 90 days of the hiring of a new Sub-Adviser.

4. The Manager will not enter into a Sub-Advisory Agreement with any Affiliated Sub-Adviser unless such agreement, including the compensation to be paid thereunder, has been approved by the shareholders of the applicable Fund.

5. At all times, at least a majority of the Board will be Independent Trustees, and the nomination of new or additional Independent Trustees will be placed within the discretion of the then existing Independent Trustees.

6. When a change of Sub-Adviser is proposed for a Fund with an Affiliated Sub-Adviser, the Board, including a majority of the Independent Trustees, will make a separate finding, reflected in the Board minutes, that the change is in the best interests of the Fund and its shareholders and does not involve a conflict of interest from which the Manager or the Affiliated Sub-Adviser derives an inappropriate advantage.

7. The Manager will provide general management services to each Fund, including overall supervisory responsibility for the general management and investment of each Fund's assets, and, subject to review and approval by the Board, will (a) Set the Fund's overall investment strategies; (b) evaluate, select, and recommend Sub-Advisers to manage all or a part of the Fund's assets; (c) when appropriate, allocate and reallocate a Fund's assets among multiple Sub-Advisers; (d) monitor and evaluate the performance of Sub-Advisers; and (e) implement procedures reasonably designed to

ensure compliance by the Sub-Adviser(s) with the Fund's investment objectives, policies and restrictions.

8. No trustee or officer of the Trusts, or director or officer of the Manager, will own, directly or indirectly (other than through a pooled investment vehicle that is not controlled by such person), any interest in a Sub-Adviser, except for (a) ownership of interests in the Manager or any entity that controls, is controlled by, or is under common control with the Manager, or (b) ownership of less than 1% of the outstanding securities of any class of equity or debt of a publicly-traded company that is either a Sub-Adviser or an entity that controls, is controlled by, or is under common control with a Sub-Adviser.

9. The requested order will expire on the effective date of rule 15a-5 under the Act, if adopted.

### Applicants' Representations

1. The Original Trust, which is registered under the Act as an open-end

management investment company and organized as a Massachusetts business trust, received an order (“Existing Order”) permitting certain series of the Original Trust that operate as “funds of funds” in reliance on section 12(d)(1)(G) of the Act to invest directly in other securities and financial instruments (“Other Investments”).<sup>1</sup> The Existing Order excluded shares of any registered investment companies outside of the Original Trust’s group of investment companies from Other Investments.

2. Each New Trust is organized as a Massachusetts business trust or a Maryland corporation and is registered as an open-end management investment company under the Act. DIMA, an investment adviser registered under the Investment Advisers Act of 1940, serves as investment adviser to the New Funds and to the Original Trust.

3. Applicants request that the relief also apply to any other existing or future registered open-end management investment company or series thereof advised by DIMA or any entity controlling, controlled by, or under common control with DIMA (“Upper Tier Funds”). Any registered open-end management investment company (or series thereof) whose shares are purchased by an Upper Tier Fund, and which is part of the same group of investment companies, as defined in section 12(d)(1)(G)(ii) of the Act, as the Upper Tier Fund is referred to as “DWS Underlying Fund.”<sup>2</sup>

4. Applicants propose that, in addition to DWS Underlying Funds and Other Investments, Upper Tier Funds be permitted to invest in securities of “Unaffiliated ETFs” either within the limits of sections 12(d)(1)(A) and (B) of the Act or in excess of those limits in reliance on exemptive orders obtained by such “Unaffiliated ETFs.” “Unaffiliated ETFs” are open-end management investment companies or unit investment trusts registered under the Act that operate as exchange-traded funds and are not part of the same group of investment companies as the Upper Tier Fund.

#### Applicants’ Legal Analysis

1. Section 12(d)(1)(A) of the Act provides that no registered investment company (“acquiring company”) may acquire securities of another investment

company (“acquired company”) if such securities represent more than 3% of the acquired company’s outstanding voting stock or more than 5% of the acquiring company’s total assets, or if such securities, together with the securities of other investment companies, represent more than 10% of the acquiring company’s total assets. Section 12(d)(1)(B) of the Act provides that no registered open-end investment company may sell its securities to another investment company if the sale will cause the acquiring company to own more than 3% of the acquired company’s voting stock, or cause more than 10% of the acquired company’s voting stock to be owned by investment companies.

2. Section 12(d)(1)(G) of the Act provides that section 12(d)(1) will not apply to securities of an acquired company purchased by an acquiring company if: (i) The acquiring company and the acquired company are part of the same group of investment companies; (ii) the acquiring company holds only securities of acquired companies that are part of the same group of investment companies, government securities, and short-term paper; (iii) the aggregate sales loads and distribution-related fees of the acquiring company and the acquired company are not excessive under rules adopted pursuant to section 22(b) or section 22(c) of the Act by a securities association registered under section 15A of the Securities Exchange Act of 1934 or by the Commission; and (iv) the acquired company has a policy that prohibits it from acquiring securities of registered open-end management investment companies or registered unit investment trusts in reliance on section 12(d)(1)(F) or (G). Applicants state that the proposed arrangement would comply with the provisions of section 12(d)(1)(G), but for the fact that an Upper Tier Fund’s investments will include shares of one or more DWS Underlying Funds as well as Other Investments and Unaffiliated ETFs.

3. Section 12(d)(1)(J) of the Act provides that the Commission may exempt persons or transactions from any provision of section 12(d)(1) if, and to the extent that, the exemption is consistent with the public interest and the protection of investors. Applicants request an order under section 12(d)(1)(J) exempting them from section 12(d)(1)(G)(i)(II). Applicant state that investments in securities of Unaffiliated ETFs in excess of the limits of sections 12(d)(1)(A) and (B) would be subject to all of the terms and conditions contained in exemptive orders obtained by such Unaffiliated ETFs. Applicants

therefore assert that the ability of each Upper Tier Fund to invest in securities of Unaffiliated ETFs would not give rise to any of the concerns that the prohibitions of sections 12(d)(1)(A) and (B) or the requirements of section 12(d)(1)(G) were designed to address.

#### Applicants’ Conditions

Applicants agree that any order granting the requested relief will supercede the Existing Order and will be subject to the following conditions:

1. Applicants will comply with all provisions of section 12(d)(1)(G) of the Act, except for section 12(d)(1)(G)(i)(II) to the extent that it restricts an Upper Tier Fund from investing in Other Investments and Unaffiliated ETFs, as described in the application.

2. Before approving any advisory contract under section 15 of the Act, the board of directors or trustees of each Upper Tier Fund, including a majority of the disinterested board members, will find that the advisory fees, if any, charged under such contract are based on services provided that are in addition to, rather than duplicative of, services provided pursuant to any DWS Underlying Fund’s or Unaffiliated ETF’s advisory contract. Such finding, and the basis upon which the finding was made, will be recorded fully in the minute books of the Upper Tier Fund.

For the Commission, by the Division of Investment Management, under delegated authority.
