Preliminary Results of Review

As a result of this review, we preliminarily find that the following weighted-average dumping margins exist:

Manufacturer/Exporter	Margin
Vita Food Factory (1989) Ltd.	7.11 %
Tropical Food Industries Co., Ltd.	10.51 %

Cash Deposit Requirements

If these preliminary results are adopted in the final results of review, the following deposit requirements will be effective upon completion of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication of the final results of this administrative review, as provided in section 751(a)(1) of the Act: (1) The cash deposit rate for Vita will be that established in the final results of this review; (2) the cash deposit rate for Trofco will be that established in the final results of this review; (3) for previously reviewed or investigated companies not covered in this review, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (4) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value (LTFV) investigation, but the manufacturer is a firm covered in this review, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the subject merchandise; and (5) if neither the exporter nor the manufacturer is a firm covered in this or any previous proceeding conducted by the Department, the cash deposit rate will continue to be the "all others" rate established in the LTFV investigation, which is 24.64 percent. *See Antidumping Duty Order* 71 FR at 36776. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Duty Assessment

Upon publication of the final results of this review, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries. Pursuant to 19 CFR 351.212(b)(1), the Department calculates an assessment rate for each importer of the subject merchandise for each

respondent. In accordance with 19 CFR 351.212(b)(1), we will calculate importer-specific assessment rates on the basis of the ratio of the total amount of antidumping duties calculated for the examined sales and the total entered value of the examined sales. These rates will be assessed uniformly on all entries of the respective importers made during the POR if these preliminary results are adopted in the final results of review. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of the final results of this review.

The Department clarified its "automatic assessment" regulation on May 6, 2003. *See Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003) (*Assessment Policy Notice*). This clarification will apply to entries of subject merchandise during the POR produced by companies included in the final results of review for which the reviewed companies did not know that the merchandise it sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediary involved in the transaction. *See Assessment Policy Notice* for a full discussion of this clarification.

Public Comment

Pursuant to 19 CFR 351.224(b), the Department will disclose to any party to the proceeding the calculations performed in connection with these preliminary results within five days after the date of public announcement of this notice. Pursuant to 19 CFR 351.309, interested parties may submit written comments in response to these preliminary results. Unless extended by the Department, case briefs are to be submitted within 30 days after the date of publication of this notice. Rebuttal briefs, limited to arguments raised in case briefs, may be submitted no later than five days after the time limit for filing case briefs. Parties who submit arguments in this proceeding are requested to submit with the argument: (1) A statement of the issues; (2) a brief summary of the argument; and (3) a table of authorities. *See* 19 CFR 309(c)(2). Case and rebuttal briefs must be served on interested parties in accordance with 19 CFR 351.303(f).

Also, pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing or to participate if one is requested must submit a written request

to the Assistant Secretary for Import Administration within 30 days of the publication of this notice. Requests should contain (1) the party's name, address and telephone number; (2) the number of participants; and, (3) a list of issues to be raised. Issues raised in the hearing will be limited to those raised in the respective case briefs. Unless the Secretary specifies otherwise, the hearing, if requested, will be held two days after the date for submission of rebuttal briefs. Parties will be notified of the time and location.

The Department will issue the final results of this administrative review within 120 days after the publication of this notice, unless extended. *See* section 751(a)(3)(A) of the Act; 19 CFR 351.213(h).

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

The preliminary results of this administrative review and this notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 31, 2007.

Stephen J. Claeys,
Acting Assistant Secretary for Import Administration.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: August 8, 2007.

FOR FURTHER INFORMATION CONTACT: Mark Flessner or Robert James, AD/CVD Enforcement Office 7, Import

Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-6312 or (202) 482-0649, respectively.

SUPPLEMENTARY INFORMATION:

Background

The Department of Commerce (the Department) published the preliminary results and partial rescission of the 2005-2006 antidumping duty administrative review of heavy forged hand tools, finished or unfinished, with or without handles (Hand Tools), from the People's Republic of China (PRC) on March 8, 2007. *See Heavy Forged Hand Tools, Finished or Unfinished, With or Without Handles, From the People's Republic of China: Preliminary Results and Partial Rescission of the 2005-2006 Administrative Reviews*, 72 FR 10492 (March 8, 2007). We received a case brief from respondent Shandong Machinery Import & Export Company (SMC) on April 9, 2007. Separate rebuttal briefs were received from both petitioners, Ames True Temper (Ames) and Council Tool Company (Council Tools) on April 16, 2007. On April 24, 2007, we placed on the record certain documents received from the U.S. Customs and Border Protection (CBP). *See Memorandum to the File from Mark Flessner, Case Analyst, entitled "Heavy Forged Hand Tools, Finished or Unfinished, With or Without Handles, From the People's Republic of China (A-580-803): U.S. Entry Documents and Opportunity to Comment,"* dated April 24, 2007. SMC, Ames, and Council Tools filed comments concerning these CBP documents on May 9, 2007. SMC requested and was granted time to file a rebuttal to the Ames and Council Tools comments; SMC's rebuttal was received on May 16, 2007. On July 6, 2007, the Department published in the **Federal Register** a notice of extension for the final results. *See Notice of Extension of Time Limit for Final Results and Partial Rescission of the 2005-2006 Antidumping Duty Administrative Review of Heavy Forged Hand Tools, Finished or Unfinished, With or Without Handles, from the People's Republic of China*, 72 FR 36959 (July 6, 2007). This partially extended the time limit for the final results until August 6, 2007.

Extension of Time Limits for Final Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Tariff Act), and 19 CFR 351.213(h)(1), the Department shall issue the preliminary results of an administrative

review within 245 days after the last day of the anniversary month of the date of publication of the order. The Tariff Act further provides that the Department shall issue the final results of review within 120 days after the date on which the notice of the preliminary results was published in the **Federal Register**. However, if the Department determines that it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Tariff Act and 19 CFR 351.213(h)(2) allow the Department to extend the 245-day period to 365 days and the 120-day period to 180 days.

Due to the addition of important new information to the record, the complexity of the issues involved, and the time required to analyze the numerous submissions and arguments raised in parties' briefs, the Department has determined that it is not practicable to complete these reviews within the period of the partial extension indicated by the **Federal Register** notice published on July 6, 2007.

Section 751(a)(3)(A) of the Tariff Act and 19 CFR 351.213(h) allow the Department to extend the deadline for the final results of a review to a maximum of 180 days from the date on which the notice of the preliminary results was published. The current deadline for the final results is August 6, 2007. For the reasons noted above, the Department is fully extending the time limit for the completion of the final results for the 2005-2006 antidumping duty administrative review of Hand Tools from the PRC until no later than September 4, 2007, which is 180 days from the date on which the notice of the preliminary results was published.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act.

Dated: August 2, 2007.

Gary Taverman,

Acting Deputy Assistant Secretary for Import Administration.

Stainless Steel Wire Rods From India: Extension of Time Limit for the Preliminary Results of the Antidumping Duty New-Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: August 8, 2007.

FOR FURTHER INFORMATION CONTACT:

Catherine Cartsos or Mino Hatten, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-1757 and (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 20, 2007, the Department of Commerce (the Department) published a notice of initiation of a new-shipper review of the antidumping duty order on stainless steel wire rods from India for Sunflag Iron and Steel Co., Ltd. (Sunflag). *See Stainless Steel Wire Rod From India: Notice of Initiation of Antidumping Duty New-Shipper Review*, 72 FR 13088 (March 20, 2007). The period of review is December 1, 2005, through November 30, 2006. The preliminary results of this new-shipper review are currently due no later than September 9, 2007.

Extension of Time Limit for Preliminary Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), provides that the Department will issue the preliminary results of a new-shipper review of an antidumping duty order within 180 days after the date on which the review is initiated. The Act provides further that, if the case is extraordinarily complicated, the Department may extend the 180-day period to 300 days.

The Department has determined that this new-shipper review is extraordinarily complicated and it is not possible to complete the preliminary results by the current deadline of September 9, 2007. Specifically, there are a number of complex factual issues pertaining to the sales practices, manufacturing costs, and the determination of potential comparison-market matches which affect the calculation of the antidumping margin in this new-shipper review. We require additional time to analyze the questionnaire responses, issue supplemental questionnaires, and conduct verification. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department is extending the time limit for the preliminary results by 40 days to October 19, 2007. The final results of the new-shipper review continue to be due 90 days after the date of issuance of the preliminary results of new-shipper review.
